Slauson Avenue, Maywood CA 90270. If you challenge in court any discussion or action taken concerning an item on this Agenda, you may be limited to rising only those issues you or someone else raised during the meeting or in written correspondence delivered to the City at or prior to the City's consideration of the item at the meeting. In compliance with the ADA, if you need special assistance for the meeting, call (323) 562-5723 within 72 hours prior to the meeting so the City can make reasonable arrangements to ensure accessibility.

AGENDA REPORT

CITY OF MAYWOOD

AGENDA ITEM NO.

DATE: June 9, 2021

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: JENNIFER VASQUEZ, CITY MANAGER

BY: HRANT MANUELIAN, FINANCE DIRECTOR

SUBJECT: PUBLIC HEARING TO CONSIDER RESOLUTION 6182, ADOPTING THE FISCAL YEAR 2021-2022 OPERATING AND CAPITAL IMPROVEMENT BUDGETS FOR THE CITY OF MAYWOOD.

RECOMMENDATION:

Staff recommends that the City Council adopt Resolution No.6182, adopting the fiscal year 2021-2022 operating and capital improvement budget; which includes the general fund and special revenue funds.

BACKGROUND:

The City has held three budget workshops to provide direction for the draft budget on April 14th, May 27th and June 10th. Based on these workshops and direction provided by Council, adjustments to the budget were made.

DISCUSSION:

Below includes a breakdown of the expenditures being proposed for the City's Operating Budget. Comprehensive booklets will be compiled and distributed after the City Council adopts the Operating Budget and Capital Improvement Program.

Revenues

Total General Fund revenues for FY 21-22 are estimated to be \$12,865,288 plus transfers in from Los Angeles County Safe, Clean Neighborhood Parks and Beaches Measure of 2016 (Measure A), Active Transportation Program, Local Roadway Safety Program from the State Department of Transportation and Supplemental Law Enforcement Service Fund (SLESF) for a total of \$1,039,000. See **Attachment No. 1** for detail listing of General Fund revenues.

Total Special Revenue Funds revenues for FY 21-22 are estimated to be \$5,289,441. This is an increase of almost \$430K for updated estimates from Gas Tax, Local Return Prop A and C, Measure R and M; and carryforward of CDBG funds. See **Attachment No. 3** for detail listing of the Special Revenue funds revenues.

Expenditures

Total General Fund expenditures for FY 21-22 are budgeted to be \$13,708,913. There were no major changes in expenditures from the third budget session. See **Attachment No. 2** for detailed listing of budgeted General Fund expenditures.

Total Special Revenues funds expenditures for FY 21-22 are budgeted to be \$7,890,439. See **Attachment No. 4** for detailed listings of budgeted Special Revenue Funds expenditures; there were no major changes from the last budget session.

City Events

A total of \$22,050 has been budgeted for City events. As noted during the budget study sessions City staff will seek opportunities for sponsorship to help offset the costs for the events. See **Attachment No. 7** for list of city events and budgeted costs.

Capital Improvement Projects

See **Attachment No. 6** for the complete list of projects, associated budgets, and funding sources. This list was reviewed with the City's contract engineers and has had minor updates. Specifically, additional information was added to the spreadsheet listing out the total project cost, expenditures incurred to date, and if the project was a carryover from previous years or a new project.

LEGAL REVIEW:

The City Attorney has reviewed this staff report.

FISCAL IMPACT:

The City Council is asked to adopt a budget with a surplus of \$195,375 in the General Fund. This is a great improvement from the deficit budget that was adopted in the prior year. A majority of the surplus is due to better control of expenditures, which will continue to improve as we roll out the new purchasing software. Also, Sales Tax and Cannabis Tax revenues came in better than expected and continue to grow.

The Special Revenue Funds will have a deficit as discussed in our budget sessions due to several Capital projects budgeted to occur during FY 21-22 for which fund balances had accumulated over the past few years.

Below is the summary of estimated fund balances for the General Fund and Combined Special Revenue funds.

General Fund Estimated Fund Balance

Estimated FY 21-22 Fund Balance	
Estimated Beginning Fund Balance July 1, 2021	4,390,265
Revenue	12,865,288
Expenditure	13,708,913
Net Transfers In/(Out)	1,039,000
Change in Fund Balance	195,375
Ending Fund balance June 30, 2022	4,585,640

Combined Special Revenue Funds Estimated Fund Balance

Estimated FY 21-22 Fund Balance	
Estimated Beginning Fund Balance July 1, 2021	6,521,158
Revenue	5,289,441
Expenditure	7,890,439
Net Transfers In/(Out)	(1,039,000)
Change in Fund Balance	(3,639,998)
Ending Fund balance June 30, 2022	2,881,160

See **Attachment No. 5** for summary of all fund balances.

The fiscal impact of the proposed FY 21-22 budget for all funds of the City is summarized in **Exhibit A to Resolution No. 6182**.

RESOLUTION NO. 6182
A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF
MAYWOOD ADOPTING THE FISCAL YEAR 2021-2022 OPERATING
AND CAPITAL IMPROVEMENT BUDGET

WHEREAS, the City Manager and the Finance Staff have prepared and submitted to the City Council the proposed budget for Fiscal Year 2021-2022 (FY21-22), which commences July 1, 2021 and ends on June 30, 2022; and

WHEREAS, on April 14, 2021, May 12, 2021 and May 26, 2021 the City Council conducted budget workshops to provide an opportunity to the public to comment on the proposed budget for FY 21-22; and

WHEREAS, the City Council has reviewed the proposed FY21-22 budget; and

WHEREAS, the City Council has determined it necessary for efficient management of the City to appropriate certain sums in various departments for various City activities.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MAYWOOD DOES HEREBY RESOLVE, FIND, DETERMINE, AND ORDER AS FOLLOWS:

Section 1. The Fiscal Year 2021-2022 Operating and Capital Improvement Budget is described in Attachment No. 2, Attachment No. 4 and Attachment No. 6 to the Staff Report of June 9, 2021 (collectively "Budget Attachments"). The Budget Attachments are hereby incorporated in full as if set forth herein.

Section 2. The City Council hereby adopts the 2021-2022 Operating and Capital Improvement Budget as described and in the amounts set forth in Budget Attachments. The General Fund Expenditures for Fiscal Year 2021-2022 shall not exceed \$13,708,913 and the Fiscal Year 2021-2021 Special Revenue Expenditures shall not exceed \$7,890,439. Within those expenditure amounts, there is included the City's Capital Improvement Budget as described in Attachment No. 6 and in the amount of \$8,008,381.

Section 3. The funds are hereby appropriated to the respective accounts for expenditure in Fiscal Year 2021-2022 as set forth in the Budget Attachments.

Section 4. The operating expenditures and estimated revenues are set forth in Exhibit A to this resolution.

Section 5. The City Clerk shall certify to the adoption of this resolution and shall keep a copy of this resolution and the Budget Attachments as the Fiscal Year 2021-2022 budget on file, and effective as of July 1, 2021.

PASSED, APPROVED AND ADOPTED THIS 9th day of June, 2021.

Ricardo Lara, Mayor

ATTEST:

APPROVED AS TO FORM:

Flor Aguiluz, City Clerk

Roxanne Diaz, City Attorney

AGENDA REPORT

CITY OF MAYWOOD

AGENDA ITEM NO.

DATE: June 9, 2021

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: JENNIFER VASQUEZ, CITY MANAGER

BY: AHMAD ANSARI, CONTRACT CITY ENGINEER

SUBJECT: PUBLIC HEARING - RESOLUTION APPROVING THE FINAL ENGINEER'S REPORT, CONFIRMING THE DIAGRAM AND ASSESSMENTS, AND ORDERING LEVY AND COLLECTION OF ASSESSMENTS WITHIN THE STREET LIGHTING ASSESSMENT DISTRICT FOR FISCAL YEAR 2021/22 PURSUANT TO THE PROVISIONS OF DIVISION 15, PART 2 OF THE STREETS AND HIGHWAYS CODE OF THE STATE OF CALIFORNIA.

RECOMMENDATION:

City Council hold a Public Hearing and Following Conclusion of the Public Hearing Adopt a Resolution Approving The Final Engineer's Report Confirming The Diagram and Assessments and Ordering the Levy And Collection of Assessments Within the City of Maywood Street Lighting Assessment District for Fiscal Year 2021/22 Pursuant to The Provisions of Division 15, Part 2 of The Streets and Highways Code of The State of California.

BACKGROUND:

The City of Maywood currently levies and collects special assessments through the City of Maywood Street Lighting Assessment District (SLAD) to offset the cost of providing street lighting and traffic signal improvements and maintenance services within the City. Per Proposition 218, passed by California voters in November 1996, there can be no new or increased assessments without approval of the affected property owners. When there is an increase proposed, Proposition 218 provides for a ballot and voting process that seeks the approval from the majority of affected property owners based on assessment ballots weighted in accordance with the proposed assessment against each parcel. Since there is no increase in rates or any new assessments proposed for Fiscal Year 2021/22, the ballot process is not required.

The Landscaping and Lighting Act of 1972 (the Act) requires that an annual review and updated engineer's report be prepared and approved to set assessment rates for the ensuing fiscal year. Francisco & Associates, Inc. was retained to assist the City with the preparation of the annual engineer's report and submittal of the annual assessments to the County for inclusion on the property tax bills.

On May 12, 2021, City Council adopted resolutions that initiated proceedings, ordered, and approved the preliminary engineer's report, and set the public hearing for June 9, 2021. Proper notice of the public hearing was given by publishing a notice in the newspaper at least ten days prior to the scheduled public hearing.

Upon conclusion of the public hearing, City Council may adopt a resolution approving the final engineer's report, confirming the diagram and assessments, either as originally proposed or as modified (provided that the assessments are not increased). The adoption of this resolution is the final step in the annual process to authorize the levy of SLAD assessments for Fiscal Year 2021/22.

DISCUSSION:

Without the collection of the annual SLAD assessments, maintenance activities would be greatly reduced, and the funding would be a burden on the City's General Fund. Staff has reviewed the attached final engineer's report and is satisfied with the report, including the assessments, budget items, and diagram. Staff recommends City Council conduct a public hearing, approve the final engineer's report, and order the levy and collection of assessments as the final step to authorize the placement of the SLAD assessments on the Los Angeles County property tax bills. The Public Hearing noticed was published on May 20, 2021 in the City's general circulation as required by law.

LEGAL REVIEW:

This item has been reviewed by the City Attorney.

FISCAL IMPACT:

There is no fiscal impact at this time. If assessments are not levied as proposed there would be a loss of revenue of approximately \$174,520 for Fiscal Year 2021/22.

ATTACHMENT(S)

1. Fiscal Year 2021-2022 Street Lighting Assessment District Final Engineer's Report
2. Notice of Public Hearing

RESOLUTION NO. 6183

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF
MAYWOOD, CALIFORNIA, APPROVING THE FINAL ENGINEER'S
REPORT, CONFIRMING THE DIAGRAM AND ASSESSMENTS, AND
ORDERING THE LEVY AND COLLECTION OF ASSESSMENTS
WITHIN THE CITY OF MAYWOOD STREET LIGHTING
ASSESSMENT DISTRICT FOR FISCAL YEAR 2021/22 PURSUANT
TO THE PROVISIONS OF DIVISION 15, PART 2 OF THE STREETS
AND HIGHWAYS CODE OF THE STATE OF CALIFORNIA**

**NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MAYWOOD (HEREAFTER REFERRED TO AS
"CITY COUNCIL") HEREBY DETERMINES, FINDS AND RESOLVES AS FOLLOWS:**

WHEREAS, this City Council, by previous Resolutions, initiated proceedings and declared its intention to levy and collect assessments against lots and parcels of land within an existing assessment district known and designated as "THE CITY OF MAYWOOD STREET LIGHTING ASSESSMENT DISTRICT" (hereinafter referred to as the "District") for the fiscal year commencing July 1, 2021 and ending June 30, 2022 pursuant to the provisions of the Landscaping and Lighting Act of 1972, Division 15, Part 2 of the Streets and Highways Code of the State of California (hereinafter referred to as the "Act"); and

WHEREAS, the City previously determined that the annual assessments originally established for the District were for the maintenance and operation of street lights within the public street right-of-way. As such, pursuant to Article XIII D Section 5(a), the pre-existing assessment amount has been exempted from the procedural requirements of Article XIII D Section 4 since the amount of the assessment has not increased since the passage of Proposition 218; and

WHEREAS, the Engineer selected by the City Council has prepared and filed with the City Clerk, and the City Clerk has presented to the City Council, the Fiscal Year 2021/22 Engineer's Report in connection with the proposed levy and collection of assessments against lots and parcels of land within the District, and the City Council did by previous Resolution approve such report on May 12, 2021;

WHEREAS, the City Council desires to levy and collect assessments against lots and parcels of land within the District for the fiscal year commencing July 1, 2021 and ending June 30, 2022, to pay for the costs and expenses for the improvements described in Section 5 below.

WHEREAS, following notice duly given, the City Council held a full and fair public hearing, and all interested persons were afforded the opportunity to hear and be heard. The City Council considered all oral and written statements, protests and communications made or filed by interested persons.

**NOW, THEREFORE, BE IT RESOLVED, DETERMINED, AND ORDERED BY THE CITY COUNCIL FOR THE
CITY OF MAYWOOD STREET LIGHTING ASSESSMENT DISTRICT, AS FOLLOWS:**

Section 1. That the above recitals are all true and correct.

Section 2. The City Council now declares the levy of proposed assessments against lots and parcels of land within the District for Fiscal Year 2021/22 to pay for the costs and expenses for the improvements described in Section 5 below pursuant to the terms and provisions of the Act.

Section 3. The City Council hereby approves the Engineer's Report described in the recitals hereof. Based upon its review of the Fiscal Year 2021/22 Engineer's Report and other reports and information, the City Council hereby finds and determines that (i) the lands within the District will be benefited by the improvements described in Section 5 below, (ii) the District includes all of the lands so benefited, and (iii) the net amount to be assessed upon the lands within the District for the 2021/22 fiscal year in accordance with the Engineer's Report is apportioned by a formula and method which fairly distributes the net amount among all assessable lots and parcels in proportion to the estimated benefits to be received by each such lot or parcel from the improvements.

Section 4. The diagram and assessment as presented to the City Council and on file in the office of the City Clerk are hereby confirmed as filed.

Section 5. The City Council hereby orders levy of the assessment and the proposed improvements to be made, which improvements are briefly described as follows: the installation, maintenance and servicing of street lighting and traffic signal facilities and appurtenant facilities throughout the District, including the replacement of existing street lighting and traffic signal facilities at various locations throughout the District.

Section 6. The assessment is in compliance with the provisions of the Act, the provisions of the California Constitution Article XIID and the City Council has complied with all laws pertaining to the levy of an annual assessment.

Section 7. Installation, maintenance and servicing of the street lighting and traffic signal facilities and appurtenant facilities described in Section 5 above shall be performed pursuant to law.

Section 8. The County Auditor of Los Angeles County shall enter on the County Assessment Roll opposite each lot or parcel of land the amount of the assessment and such assessments shall then be collected at the same time and in the same manner as the County taxes are collected. After collection by the County, the net amount of the assessments, after deduction of any compensation due the county for collection, shall be paid to the City Treasurer.

Section 9. Public property owned by any public agency and in use for a public function and which is included within the District shall not be subject to the assessment to pay for any of the costs and expenses associated with the improvements.

Section 10. The City Treasurer shall deposit all moneys representing assessments collected by the County to the credit of a special fund known as "THE CITY OF MAYWOOD STREET LIGHTING ASSESSMENT DISTRICT FUND" and such moneys shall be expended only for the improvements described in Section 5 above.

Section 11. The adoption of this Resolution constitutes the levy of assessments for the fiscal year commencing July 1, 2021 and ending June 30, 2022.

Section 12. The City Clerk is hereby authorized and directed to file the diagram and assessments, or a certified copy of the diagram and assessments, with the County Auditor, together with a certified copy of this Resolution upon its adoption.

Section 13. A certified copy of the diagram and assessment shall be filed in the office of the City Engineer, with a duplicate copy on file in the office of the City Clerk and open for public inspection.

PASSED, APPROVED AND ADOPTED THIS 9th day of June, 2021.

ENGINEER'S REPORT
CITY OF MAYWOOD
STREET LIGHTING ASSESSMENT DISTRICT
FISCAL YEAR 2021-22

The undersigned, acting on behalf of the City of Maywood respectfully submits the enclosed Engineer's Report as directed by the Maywood City Council pursuant to the provisions of Article XIID, Section 4 of the California Constitution, provisions of the Landscaping and Lighting Act of 1972 and Section 22500 et al of the California Streets and Highways Code. The undersigned certifies that he is a Professional Engineer, registered in the State of California.

Dated: _____

By: _____
Ahmad Ansari, P.E.

I HEREBY CERTIFY that the enclosed Engineer's Report, together with Assessment Roll and Assessment Diagram, thereto attached, was filed with me on the _____ day of _____, 2021.

SECTION I

INTRODUCTION

Adequate lighting on public streets and traffic signals to control the flow of traffic and pedestrians are considered important for public convenience and safety. Protection of property and reduction of traffic accidents are specific benefits that properties realize within the City. The lighting benefit is directly related to safety and property protection and therefore increases the perceived and actual usability and enhancement of residential, commercial and industrial properties.

To ensure a flow of funds for a portion of the ongoing maintenance and servicing of street lighting facilities and traffic signals within the boundaries of the City of Maywood (hereafter referred to as “City”), the City Council formed the Street Lighting Assessment District (hereafter referred to as the “District”) and annually levies and collects special assessments to maintain these improvements. The formation of the District and the annual levy of assessments have been made pursuant to the Landscaping and Lighting Act of 1972, Part 2 of Division 15 of the California Streets and Highways Code (hereafter referred to as the “1972 Act”).

This Engineer’s Report (hereafter referred to as the “Report”) presents the engineering analysis for the District for Fiscal Year 2021-22. The assessment rates applied for the fiscal year will be the same as those assessed in the previous fiscal year. The proposed lighting assessment for Fiscal Year 2021-22, as described in this Report, is approximately \$174,520.

Authority for the Report

This Report is prepared in compliance with the requirement of Chapter 1, Article 4, Landscaping and Lighting Act of 1972, being Part 2, Division 15, sections 22500 through 22679 of the Streets and Highways Code, State of California. The 1972 Act authorizes the maintenance and servicing of public improvements. As applicable or may be applicable to this District, the 1972 Act defines improvements to mean one or any combination of the following:

- The installation or construction of public lighting facilities;
- The installation or construction of any facilities which are appurtenant to any of the foregoing or which are necessary or convenient for the maintenance or servicing thereof, including, but not limited to, grading, clearing, removal of debris, the installation or construction of curbs, gutters, walls, sidewalks, or paving, or water, irrigation, drainage, or electrical facilities;
- The maintenance or servicing, or both, of any of the foregoing;
- The acquisition of any existing improvement otherwise authorized pursuant to this section.

Incidental expenses associated with the improvements including, but not limited to:

- The cost of preparation of the report, including plans, specifications, estimates, diagram, and assessment;
- The costs of printing, advertising, and the publishing, posting and mailing of notices;

- Compensation payable to the County for collection of assessments;
- Compensation of any engineer or attorney employed to render services;
- Any other expenses incidental to the construction, installation, or maintenance and servicing of the improvements;
- Any expenses incidental to the issuance of bonds or notes pursuant to Section 22662.5;
- Costs associated with any elections held for the approval of a new or increased assessment.

The 1972 Act defines “maintain” or “maintenance” to mean furnishing of services and materials for the ordinary and usual maintenance, operation, and servicing of any improvement, including:

- Repair, removal, or replacement of all or any part of any improvement;
- The cleaning, sandblasting, and painting of walls and other improvements to remove or cover graffiti.

This Report includes plans and specifications for the improvements, an estimate of the costs of the improvements, a diagram of the District showing the boundary of the District; (the boundaries of the District are coterminous with the City boundaries and, by reference, are hereby made part of this Report), the method of apportioning costs to properties that benefit from the public improvements and services provided, and a listing of the proposed assessment amounts against the parcels or lots that benefit from the improvements. The Report is hereby presented to the City Council for its review and approved as presented or, as the City Council may determine, it should be modified, before approval.

After the Report is preliminarily approved, the City Council may adopt a resolution of intention that describes the improvements, refers to the Report for details of the District, and sets a time and place for a public hearing on the proposed levy of assessments.

Assessments for this District are being levied for the following improvements within the District:

- The maintenance and servicing of arterial streetlights that provide a special benefit to all the assessable parcels within the District;
- The maintenance and servicing of local street lights in close proximity to certain lots and parcels which provide a direct special benefit to these lots or parcels;
- The maintenance and servicing of traffic signals that contribute to traffic flow, thereby providing a measure of safety and pedestrian and vehicular accessibility to residential, commercial and industrial properties.

The 1972 Act, in Section 22573, states that the “net amount to be assessed upon lands within an assessment district may be apportioned by any formula or method which fairly distributes the net amount among all assessable lots or parcels in proportion to the estimated benefits to be received by each such lot or parcel from the improvements.” Details of the formula being used to spread the assessments throughout this District are found in Part D of this Report.

Compliance with the California Constitution

In November 1996, voters of the State of California passed Proposition 218 that added Article XIID to the California Constitution requiring certain substantive and procedural requirements for the imposition of assessments. Article XIID requires that assessments comply with stated provisions by July 1, 1997, unless an assessment meets certain exemptions. The exemptions from the procedural and approval requirements are set forth in Section 5 of the Article and include the following:

“(a) Any assessment imposed exclusively to finance the capital costs or maintenance and operation expenses for sidewalks, streets, sewers, water, flood control, drainage systems or vector control.”

This District qualifies as an existing assessment because the District is funding items that are considered exempt under provision (a) quoted above, specifically street improvements. Using the definition provided by the Office of the Controller for the State of California in the Guidelines Relating to Gas Tax Expenditures published by the Division of Local Government Fiscal Affairs, street improvements include street lighting and traffic signals.

SECTION II

ENGINEER'S REPORT PREPARED PURSUANT TO THE PROVISIONS OF LANDSCAPING AND LIGHTING ACT OF 1972 SECTION 22500 THROUGH 22679 OF THE CALIFORNIA STREETS AND HIGHWAYS CODE

CITY OF MAYWOOD

STREET LIGHTING ASSESSMENT DISTRICT FISCAL YEAR 2021-22

Pursuant to the Landscaping and Lighting Act of 1972 (Part 2 Division 15 of the Streets and Highways Code of the State of California, commencing with Section 22500), and in accordance with the Resolution of Intention, adopted by the City Council of the City of Maywood on May 12, 2021, the duly appointed Engineer of Work, Assessment Engineer for the City of Maywood Street Lighting Assessment District (the "District") submit the following Report, consisting of Section I (Introduction), and this, Section II (Engineer's Report), which consists of five (5) parts as follows:

PART A: PLANS AND SPECIFICATIONS

This part describes the improvements maintained by the District. A plan showing the size and location of streetlights and traffic signals to be maintained and serviced in each zone of the District is on file in the Engineering Department and by reference is hereby incorporated into this Report.

PART B: ESTIMATE OF COST

This part contains an estimate of the cost of the proposed improvements to be maintained for Fiscal Year 2021-22, including incidental costs and expenses in connection therewith. The estimate is attached hereto and is on file in the Engineering Department of the City of Maywood.

PART C: ASSESSMENT DISTRICT DIAGRAM

This part incorporates a Diagram of the District showing the exterior boundaries of the District, the boundaries of any zones within the District and the lines and dimensions of each lot or parcel of land within the District. The exterior boundary of the District is coterminous with the exterior boundary of the City of Maywood. This Diagram has been prepared by the Engineer of Work and is on file in the Office of the Director of Public Works of the City of Maywood.

PART D: METHOD OF APPORTIONMENT OF ASSESSMENTS

This part describes the method of apportionment of assessments, based upon each parcel's land use classification within the District in proportion to the estimated special benefits to be received. Furthermore, the benefit received from existing District improvements by any assessable lot or parcel in the District has been determined to be in accordance with the following classifications:

- Residential Level of Benefit
- Industrial Level of Benefit
- Commercial Level of Benefit

All lots or parcels receiving the same level of benefit have been incorporated into a rate zone, the boundaries of which are defined by the equivalent land use zoning boundary established by the City Planning Commission and approved by the City Council, or as otherwise established by the City and shown on official City records. Lots or parcels presently shown as residential land use are deemed to receive no greater level of benefit than the Residential Level of Benefit. A Similar description of rate zone boundaries applies to the Industrial and Commercial Level of Benefits.

The cost for maintenance and servicing of the District improvements for the Fiscal Year 2021-22 have been estimated for all existing streetlights and traffic signals in the City and are shown in Part B. The improvement costs have been distributed to all assessable lots or parcels in the city that have abutting footage on streets in accordance with the method of apportionment and benefit received.

PART E: ASSESSMENT ROLL

This part contains an assessment of the estimated cost of the improvements on each benefited parcel of land within the District. The Assessment Roll is filed in the Office of the City Clerk of the City of Maywood and is incorporated in this Report. The list is keyed to the records of the Los Angeles County Assessor, which are incorporated herein by reference.

PART A

PLANS AND SPECIFICATIONS

The District provides for the continued installation, maintenance and servicing of street lighting improvements within the public right-of-way which provide special benefit to parcels and properties within the District.

The street lighting and traffic signal system shall be maintained and serviced to provide adequate illumination and traffic control. Maintenance and servicing shall include, but is not limited to removal repair, replacement or relocation of light standards, traffic signals, poles, bulbs, fixtures, circuits and all appurtenances.

The Southern California Edison Company or their successors or designees shall furnish energy for streetlights and traffic signals. The level of illumination shall be adequate for the intended purposes in the residential, industrial and commercial use zones. Rates for energy shall be those authorized by the Public Utilities Commission, State of California.

Furthermore, as generally defined in the 1972 Act, maintenance and servicing of the street lighting improvements may include one or any combination of the following:

- 1) The installation or construction of public lighting facilities, including, but not limited to streetlights and traffic signals.
- 2) The installation or construction of any facilities which are appurtenant to any of the foregoing or which are necessary or convenient for the maintenance or servicing thereof; including but not limited to, grading, removal of debris, the installation or construction of curbs, gutters, walls, sidewalks, or paving, or water, irrigation, drainage, or electrical facilities.
- 3) The maintenance or servicing, or both, of any of the foregoing including the furnishing of services and materials for the ordinary and usual maintenance, operation, and servicing of any improvement, including, but not limited to:
 - a) Repair, removal, or replacement of all or any part of any improvements;
 - b) Grading, clearing, removal of debris, the installation, repair or construction of curbs, gutters, walls, sidewalks, or paving, or water, irrigation, drainage, or electrical facilities;
 - c) The cleaning, sandblasting, and painting of walls and other improvements to remove or cover graffiti;
 - d) Electric current or energy, gas, or other agent for the lighting or operation of any other improvements.
- 4) Incidental expenses associated with the improvements including, but not limited to:
 - a) The cost of preparation of the report, including plans, specifications, estimates, diagram, and assessment;
 - b) The costs of printing, advertising, and publishing, posting and mailing of notices;
 - c) Compensation payable to the County for collection of assessments;
 - d) Compensation of any engineer or attorney employed to render services;
 - e) Any other expenses incidental to the construction, installation, or maintenance and servicing of the improvements; and,

- f) Costs associated with any elections held for the approval of a new or increased assessment.

Pursuant to the 1972 Act:

"Maintain" or "maintenance" means the furnishing of services and materials for the ordinary and usual maintenance, operation, and servicing of any improvement, including repair, removal, or replacement of all or any part of any improvement.

"Service" or "servicing" means the furnishing of electric current or energy, gas, or other illuminating agent for any public lighting facilities or for the lighting or operation of any other improvements.

Drawings showing the specific locations of the improvements are on file in the City's Engineering Department and are made a part of this report by reference.

PART B

ESTIMATE OF COSTS

All lighting and other eligible improvements within the District are maintained and serviced on a regular basis. The proposed cost estimate for the District includes an estimate of the costs of utilities, operations, services, administration and maintenance associated with the improvements, including all labor, personnel, equipment, materials and administrative expenses. The summary also shows the estimated fund balance and projected reserves based upon the estimated expenditures and assessment revenue. The following table shows the cost estimate for Fiscal Year 2021-22.

City of Maywood Street Lighting Assessment District Fiscal Year 2021/22 Estimate of Cost	
REVENUE AVAILABLE	
Estimated Beginning Fund Balance (as of July 1, 2021)	\$ 381,359
Estimated FY 2021/22 Assessments	\$ 174,520
Total Revenue Available	\$ 555,879
ESTIMATED OPERATIONS AND MAINTENANCE COST	
City Maintenance (Labor/Materials)	\$ 68,000
Utilities (Electricity) - Southern California Edison	\$ 75,000
Periodic Repair/Rehabilitation - Lighting	\$ 30,000
Operations and Maintenance Subtotal	\$ 173,000
City Administration Costs (Includes Overhead)	\$ 4,500
Assessment Engineering	\$ 9,750
County Collection Fees	\$ 858
Administration Subtotal	\$ 15,108
Total Estimated Operations and Maintenance Cost	\$ 188,108
CAPITAL IMPROVEMENT PROJECTS	
6.6KV Conversion in Loma Vista	\$ 200,000
Street Light Study*	\$ 8,000
ENDING FUND BALANCE INFORMATION	
Recommended Operating Reserve for ensuing Fiscal Year	\$ 94,054
Estimated Capital Reserve Fund Balance (as of June 30, 2022)	\$ 65,717

*The City will evaluate the need for new street lights along certain segments of East 56th Street, Fishburn Avenue, and Pine Avenue.

PART C

ASSESSMENT DISTRICT DIAGRAM

The boundaries of the District are shown herein. The exterior boundaries of the District are coterminous with the exterior boundaries of the City. There are three (3) street lighting benefit zones within the District:

- The Zone 1 level of benefit is defined as the residential benefit.
- The Zone 2 level of benefit is defined as the industrial benefit.
- The Zone 3 level of benefit is defined as the commercial benefit.

The boundaries of the preceding three zones are the boundaries of residential, industrial and commercial land use zones as shown on the official zoning map and/or in the zoning records of the City of Maywood. A reduced copy of the zoning map is on file with the Engineering Department of the City and is open for public inspection. It is understood that the term “official zoning map” shall include those zone changes approved but not currently plotted on the map.

The lines and dimension of each lot or parcel within the District are those lines and dimensions shown on the maps of the Los Angeles County Assessor for the year when this Report was prepared. The Assessor’s maps and records are incorporated by reference herein and made a part of this Report.

A reduced copy of the Assessment Diagram is shown on the following page.

City of Maywood Street Lighting Assessment District Assessment Diagram

PART D

METHOD OF APPORTIONMENT OF ASSESSMENTS

General

The 1972 Act permits the establishment of assessment districts by agencies for the purpose of providing certain public improvements which include the construction, maintenance and servicing of public lights and appurtenant facilities. The 1972 Act further requires that the cost of these improvements be levied according to benefit rather than assessed value:

“The net amount to be assessed upon lands within an assessment district may be apportioned by any formula or method which fairly distributes the net amount among all assessable lots or parcels in proportion to the estimated benefits to be received by each such lot or parcel from the improvements.”

In conjunction with the provisions of the 1972 Act, the California Constitution Article XIIIID addresses several key criteria for the levy of assessments, notably:

Article XIIIID Section 2d defines District as:

“District means an area determined by an agency to contain all parcels which will receive a special benefit from a proposed public improvement or property-related service”;

Article XIIIID Section 2i defines Special Benefit as:

“Special benefit” means a particular and distinct benefit over and above general benefits conferred on real property located in the district or to the public at large. General enhancement of property value does not constitute “special benefit.”

Article XIIIID Section 4a defines proportional special benefit assessments as:

“An agency which proposes to levy an assessment shall identify all parcels which a special benefit will have conferred upon them and upon which an assessment will be imposed. The proportionate special benefit derived by each identified parcel shall be determined in relationship to the entirety of the capital cost of a public improvement, the maintenance and operation expenses of a public improvement, or the cost of the property related service being provided. No assessment shall be imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on that parcel.”

The method of apportionment described in this Report for allocation of special benefit assessments utilizes commonly accepted engineering practices and have been established pursuant to the 1972 Act at the time the District was established. The formulas used for calculating assessments reflects the composition of parcels within the District and the improvements and services provided, to fairly apportion the costs based on the special benefits to each parcel.

Basis of Benefit

Each of the improvements have been carefully reviewed by the City and the corresponding assessments have been proportionately spread to each parcel based on special benefits received from the improvements as determined at the time the District was established.

The special benefits conferred on property from the District's improvements and services were determined to differ for varying types of land uses. All assessable property within the District is to receive one of the three following levels of benefit based on their land use classification:

- Residential Level of Benefit
- Industrial Level of Benefit
- Commercial Level of Benefit

All lots or parcels receiving the same level of benefit have been incorporated into a zone of benefit based on each properties land use. As result, the three (3) zones of benefit were established: Zone 1 (Residential), Zone 2 (Industrial), and Zone 3 (Commercial). The boundaries of each zone of benefit are defined by the equivalent land use zoning boundary established by the City Planning Commission and approved by the City Council, or as otherwise established by the City and shown on official City records. Lots or parcels presently shown as residential land use are deemed to receive no greater level of benefit than the Residential Level of Benefit. A Similar description of the parcels subject to both Zone 2 and Zone 3 applies to the parcels identified as having an Industrial and Commercial Level of Benefit.

The cost for maintenance and servicing of the District improvements for the Fiscal Year 2021-22 have been estimated for all existing streetlights and traffic signals in the City and is shown in Part B. The improvement costs have been distributed to all assessable lots or parcels in the city that have abutting footage on streets in accordance with the method of apportionment herein and benefit received.

The District costs are to be apportioned to each assessable property based on the special benefits conferred on such property. The method of apportioning costs based on benefit for lighting to each assessable property is based on the number of linear feet of abutting public street footage of a property multiplied by a rate based on the zone of the benefit and each parcel's land use.

The linear feet of abutting public street footage for each parcel is the length in feet shown on the current Los Angeles County Assessor maps or as previously established by the City Engineer (or their designee) for each parcel. In addition, it was determined that lighting along the side or rear of a property confers a differing level of benefit on the property, then lighting that fronts a property. For this reason, any abutting public street footage along the side or rear of a property is determined to be one-half (1/2) of the benefit of the parcel's abutting street footage along the front of a property.

Each zone of benefit was assigned a maximum assessment rate per linear foot at the time the District was established. Rate factors were utilized to apportion the costs based on the differing levels of benefit conferred on the differing types of properties and their associated land uses. The methodology for determination of the rate factors for residential, industrial and commercial

parcels were determined as shown below.

Local Residential	0.4 f.c.* Level 1 (Residential)
Collector	1.2 f.c.* Level 3 (Industrial)
Major Intermediate	1.4 f.c.* Level 3.5 (Commercial)

**f.c. = foot candle*

***The information shown above was extracted from the American National Standard Practice for Roadway Lighting, RP-8, Page 11, Table I, Recommendation for Average Maintained Horizontal Illumination.*

For the purposes of apportioning the special benefit conferred on property within the District, the average illumination for the following land uses were utilized:

- The Residential level selected was determined to be the lowest average illumination recommended for a City street.
- The Industrial level selected is the next highest average illumination recommended for a City street.
- The Commercial level selected is the highest average illumination recommended for a City street.

In view of variations in the magnitude of the existing street lighting from the above recommended values, ratios between residential, industrial and commercial levels were reduced to more closely reflect an estimate of the benefits to be conferred. The following ratios were assigned to the various zones and used to derive the maximum annual assessment rates for each zone of benefit:

• Zone 1 level of benefit (Residential)	=	1.0
• Zone 2 level of benefit (Industrial)	=	1.5
• Zone 3 level of benefit (Commercial)	=	2.0

Each assessable property within the District's boundaries are to be categorized as being subject to one (1) of the three (3) zones of benefit based upon each parcel's Los Angeles County Assessor assigned land use code, or the City's land use zoning map.

Within the boundaries of the District, there are several types of properties that are considered to receive no special benefit from the District improvements and are therefore not assessed. These parcels include:

- All publicly owned parcels;
- Certain public utility parcels utilized for rights-of way;
- Privately owned open space parcels; and
- Privately owned "sliver" parcels that have resulted from a lot line adjustment with an adjacent larger parcel. The adjacent larger parcel, of which these "sliver" parcels are a part, are assessed at the residential rate.

Maximum Assessment Rates

The Fiscal Year 2021-22 Maximum and Proposed Assessment Rates for each zone of benefit are shown below.

Zone of Benefit	Approved Maximum Assessment Rates	Proposed Fiscal Year 2021-22 Assessment Rates
Zone 1 (Residential)	\$0.746	\$0.746
Zone 2 (Industrial)	\$1.119	\$1.119
Zone 3 (Commercial)	\$1.492	\$1.492

Note: The rates shown in the table above are to be applied by Zone to each parcel's assigned street front footage.

The Maximum Assessment Rates for each zone of benefit are the same maximum rates that have been historically applied and that were previously approved. Any future increase in the maximum assessment rates or substantial changes in the services provided would require that the District be brought into compliance with all the requirements of Article XIIID and would require the approval of the property owners subject to the assessment based upon a mailed ballot which would be sent to each property owner. It should be noted that an increased assessment to an individual property resulting from changes in development or land use does not constitute an increased assessment.

Sample Annual Levy Calculation

Sample annual levy calculations for each zone of benefit as described in the *Method of Apportionment* above, has been outlined for illustration purposes.

Zone 1 (Residential)

Individual Parcel's Annual Assessment = $(RF + (SR_1/2) + (SR_2/2) + (SR_3/2)) \times$
Zone 1 Rate (or other applicable rate for mixed use property)

Zone 2 (Industrial)

Individual Parcel's Annual Assessment = $(IF + (SR_1/2) + (SR_2/2) + (SR_3/2)) \times$
Zone 2 Rate (or other applicable rate for mixed use property)

Zone 3 (Commercial)

Individual Parcel's Annual Assessment = $(CF + (SR_1/2) + (SR_2/2) + (SR_3/2)) \times$
Zone 3 Rate (or other applicable rate for mixed use property)

If a parcel is zoned for mixed-use, and consists of multiple land use classifications, all public street footage surrounding the parcel will be assessed at the applicable zone(s) rate(s), or a combination thereof, as determined by the Assessment Engineer.

The following abbreviations used in the Sample Annual Levy Calculations shall have the following meanings:

- RF All residential parcels with public street footage along the front of the property.
- IF All industrial parcels with public street footage along the front of the property.
- CF All commercial parcels with public street footage along the front of the property.
- SR_{1,2,3} All parcels (residential, industrial, and commercial) with public street footage along the side and/or rear of the property. SR shall be determined to be ½ of the public street footage.

PART E

ASSESSMENT ROLL

Parcel Identification, for each lot or parcel within the District, shall be the parcel as shown on the Los Angeles County Assessor Parcel Maps and/or the Los Angeles County Secured Tax roll for the year in which this Report is prepared. A listing of parcels to be assessed within this District along with the proposed assessment amounts is included in the following pages.

Upon approval of the Engineer's Annual Levy Report, and confirmation of the proposed assessments, the assessment information will be submitted to the County Auditor/Controller and included on the property tax roll in Fiscal Year 2021-22. If the parcels within the District and referenced in this Report, are re-numbered, re-apportioned or changed by the County Assessor's Office after approval of the Report, the new parcel along with the appropriate assessment amount will be submitted to the County Auditor/Controller. If the parcel change made by the County includes a parcel split, parcel merger or change in tax status, the assessment amount submitted on the new parcels will be based on the method of apportionment and applied levy rates approved in this Report by the City Council.

Ad Description:
NOTICE OF PUBLIC HEARING STREET LIGHTING ASSESSMENT
DISTRICT ASSESSMENTS

I am a citizen of the United States and a resident of the State of California; I am over the age of eighteen years, and not a party to or interested in the above entitled matter. I am the principal clerk of the printer and publisher of the BELL/MAYWOOD INDUSTRIAL POST, a newspaper published in the English language in the city of BELL, county of LOS ANGELES, and adjudged a newspaper of general circulation as defined by the laws of the State of California by the Superior Court of the County of LOS ANGELES, State of California, under date 08/18/1925, Case No. 175623. That the notice, of which the annexed is a printed copy, has been published in each regular and entire issue of said newspaper and not in any supplement thereof on the following dates, to-wit:

05/20/2021

Executed on: 05/20/2021
At Los Angeles, California

I certify (or declare) under penalty of perjury that the foregoing is true and correct.

**NOTICE OF PUBLIC HEARING
TO ADOPT ANNUAL CITY OF MAYWOOD
STREET LIGHTING ASSESSMENT DISTRICT
ASSESSMENTS FOR FISCAL YEAR 2021-22**

NOTICE IS HEREBY GIVEN that the City Council of the City of Maywood will conduct a Public Hearing on Wednesday, June 9, 2021, at 7:00 p.m.; see below for participation options. The Public Hearing will take the following actions related to:

Accepting public comments and questions; consideration of the Final Engineer's Report and approval of resolution for the Street Lighting Assessment District (the "District") for Fiscal Year 2021-22 as listed below; ordering the maintenance of improvements; confirmation of diagrams and assessments and; the levy and collection of assessments.

RESOLUTION APPROVING THE FINAL ENGINEER'S REPORT CONFIRMING THE DIAGRAM AND ASSESSMENTS, AND ORDERING LEVY AND COLLECTION OF ASSESSMENTS WITHIN THE STREET LIGHTING ASSESSMENT DISTRICT FOR FISCAL YEAR 2021/22 PURSUANT TO THE PROVISIONS OF DIVISION 15, PART 2 OF THE STREETS AND HIGHWAYS CODE OF THE STATE OF CALIFORNIA.

A Resolution of Intention to levy and collect assessments for the above referenced Street Lighting Assessment District was approved by the City Council of the City of Maywood on May 12, 2021 by Resolution No. 6178.

Information regarding the Final Engineer's Report for the Street Lighting Assessment District may be obtained from the Engineering Department of the City of Maywood, 4319 E. Slauson Ave., Maywood, California, or by calling (310) 968-7263.

Any interested person may file a written protest with the City Clerk prior to the conclusion of the Public Hearing, or, having previously filed a protest, may file a written withdrawal of that protest. A written protest shall state all grounds of objection, and a protest by a property owner shall contain a description sufficient to identify the property owned by such property owner. At the Public Hearing, all interested persons shall be afforded the opportunity to hear and be heard.

Pursuant to Section 3 of Executive Order N-29-2020, this meeting will be conducted telephonically through Zoom and broadcast live on the City's Facebook page. Please be advised that pursuant to the City Chambers will not be open for the meeting. Any person is privileged to be heard on this matter. If you would like to speak on this item, you can access the meeting remotely: Join by phone 1-669-900-6833 Enter Meeting ID: 882 7622 4450 Passcode: 496459 or please click the link below to join the webinar: <https://us02web.zoom.us/j/88276224450?pwd=Nm13eURMN2lCc3o0TDhzaUJpHUJlZ2U0OQ==>. You may also participate by submitting your comments by email to shirley.quinones@cityofmaywood.org or (323) 562-5714 by 4:30 p.m. the day of the meeting, please indicate in the Subject Line "FOR PUBLIC COMMENT" and list the item number you wish to comment on. In compliance with the Americans with Disabilities Act, if you need special assistance to participate in the Council meeting, please contact the City Clerk's Office, (323) 562-5723 within 48 hours of the meeting.

If you challenge the decision of the City Council on this matter in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered at, or prior to, the public hearing.

Inquiries concerning this Public Hearing may be directed to Hrant Manuelian, Finance Director at (323) 562-5700 or email: hrant.manuelian@cityofmaywood.org

AGENDA REPORT

CITY OF MAYWOOD

AGENDA ITEM NO. 4.

DATE: June 9, 2021

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: JENNIFER VASQUEZ, CITY MANAGER

BY: HRANT MANUELIAN, FINANCE DIRECTOR

SUBJECT: REVENUE REPORT FROM JULY 2020 - MAY 2021

RECOMMENDATION:

Staff recommends that the City Council receive and file the Revenue Report from July 2020 – May 2021.

BACKGROUND:

In an effort to maintain transparency, the City's Finance Department prepares a monthly Revenue report for the City Council's review. The Revenue Report is a tool used by the Council to monitor and oversee the financial health of the City.

DISCUSSION:

The attached analysis (see Attachment 1) compares prior YTD and current YTD Revenue

The total revenue received from July 2020 – May 2021 totaled \$16,987,524.70 which is 16.25% higher than the same period last year.

- **GENERAL FUND** – The General Fund received \$12,463,470.92 which is 22.37% higher than the same period last year. A contributing factor for the difference in General Fund Revenue is due to the reimbursement received from the Coronavirus Relief Fund. Through the Coronavirus Relief Fund, the CARES Act provides payments to Local governments to help navigate the impact of the COVID-19 outbreak. The City received \$344,534.00 from the CARES Act. Additional contributing factors for the increase in General Fund Revenue is the Cannabis Sales Tax and Franchise & Collectors Fee which are 96.60% and 114.44% higher compared to last year. Total Parking Fines and Court Collection (DMV) received from July 2020 to May 2021 has decreased by 83.84% and 4.54%, respectively. Additionally, Residential & Building Permits received from July 2020 to May 2021 has totaled \$20,993.87 which is 46.70% lower than the same period last year. Similarly, Parking Permits are currently 76.87% lower compared to the same period last year.
- **SPECIAL REVENUE FUNDS** - Gas Tax, Proposition A, proposition C, Measure R, and Measure M revenues have recovered with the exception of Gas Tax. These revenues are directly tied to sales and excise taxes on fuel purchases. Gas Tax as compared to the prior year is lower by \$65K or 11.35% which appears to be a direct result of the COVID-19 pandemic shutdowns.

AGENDA REPORT

CITY OF MAYWOOD

AGENDA ITEM NO. 5.

DATE: June 9, 2021

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: JENNIFER VASQUEZ, CITY MANAGER

BY: OKAN DEMIRCI, CITY ENGINEER

SUBJECT: RESOLUTION APPROVING LIST OF STREET REHABILITATION PROJECTS FOR FY 21/22 UNDER THE ROAD REPAIR AND ACCOUNTABILITY ACT OF 2017 (SB1 BEALL)

RECOMMENDATION:

Staff recommends that the City Council Adopt Resolution approving list of street rehabilitation projects for FY 2021/22 under the Road Repair and Accountability Act of 2017 (SB1 Beall).

BACKGROUND:

On April 28, 2017 the Governor signed Senate Bill (SB) 1 (Beal, Chapter 5, Statute 2017), which is known as the Road Repair and Accountability Act of 2017 to address basic road maintenance, rehabilitation and critical safety needs on both the state highway and local streets and road system. SB1 increases per gallon fuel excise taxes; increases diesel fuel sales taxes and vehicle registration fees; and provides for inflationary adjustments to tax rates in future years.

Beginning November 1, 2017, the State Controller will deposit various portions of this new funding into the newly created Road Maintenance and Rehabilitation Account (RMRA). A percentage of this new RMRA funding will be apportioned by formula to eligible cities and counties pursuant to Streets and Highways Code (SHC) Section 2032 (h) for basic road maintenance, rehabilitation, and critical safety projects on the local streets and road systems.

Road Maintenance and Rehabilitation Account (RMRA), SB 1 Beall

The Road Repair and Accountability Act of 2017 (SB1 Beall) is a significant new investment in California's transportation systems of about \$5.2 billion per year. The Act increases per gallon fuel excise taxes, diesel fuel sales taxes and vehicle registration taxes, stabilizes the problematic price-based fuel tax rates and provides for inflationary adjustments to rates in future years. The Act will more than double local streets and road funds allocated through the Highway Users Tax Account, allocating funds from new taxes through a new "Road Maintenance and Rehabilitation Account (RMRA). Pursuant to Streets and Highways Code Section 2030, RMRA local streets and roads allocations must be used for projects "that include, but are not limited to," the following:

- Road maintenance and rehabilitation

- Safety projects
- Railroad grade separations
- Traffic control devices
- Complete street components, "including active transportation purposes, pedestrian and bicycle safety projects, transit facilities, and drainage and storm-water capture projects in conjunction with any other allowable project."

Maintenance of Effort: RMRA

The Road Repair and Accountability Act contains a local agency maintenance of effort (MOE) requirement that applies to funds allocated through the RMRA. The Act states that the MOE requirement is to ensure that these new road funds do not supplant existing levels of city and county general revenue spending on streets and roads. The MOE for the receipt of RMRA funds state that a city or county must maintain general fund spending for street, road, and highway purposes at no less than the average of three years. In making this calculation an agency may exclude one-time funds. A city or county that fails to comply in a particular year may make it up with additional expenditures in the following year. The Act provides that the State Controller may perform audits to ensure compliance with these MOE rules. If the State Controller determines that a city or county has not met its MOE, the agency will be required to reimburse the state for the funds it received during that fiscal year. However, a city or county that fails to comply in a particular fiscal year may expend during that fiscal year and the following fiscal year a total amount that is sufficient to comply. Any funds withheld or returned as a result of a failure to comply will be reapportioned to the other counties and cities whose expenditures are in compliance.

Spending Plans and Reports: RMRA

The Road Repair and Accountability Act stipulates that, prior to receiving RMRA funds in a fiscal year, a city or county must submit to the California Transportation Commission (CTC) a project list pursuant to an adopted budget. The list must include for each project: description, location, schedule, useful life. The Road Repair and Accountability Act also requires that a city or county submit to the CTC an annual report of project completion in order to receive RMRA funds. The report must include descriptions of all projects for which RMRA funds were expended including: description, location, funds expended, completion date, estimated useful life of the project.

DISCUSSION:

The City of Maywood allocation for FY 2021/22 is estimated to be \$536,044 as shown on the table below:

Local Streets and Roads - Projected FY2021-22 Revenues

Based on State Dept of Finance statewide revenue projections

Estimated May 2021

	Highway Users Tax Acct (HUTA) ⁽¹⁾ Streets & Highways Code					TOTAL HUTA	Road Mntnc Rehab Acct	TOTAL
	Sec2103 ⁽⁵⁾	Sec2105 ⁽³⁾	Sec2106 ⁽³⁾	Sec2107 ⁽³⁾	Sec2107.5 ⁽⁴⁾			
MAYWOOD	215,030	157,962	92,880	200,898	6,000	672,770	536,044	1,208,814

The City is receiving a higher allocation for FY 21/ 22 . Last year's (FY 2020-21) allocation was \$478,305.

The City's required local MOE amount is estimated to be \$98,083 as shown on the table below:

Maintenance of Effort - General Fund for Streets & Roads - Estimated Unofficial

Road Maintenance and Rehabilitation Account per Streets & Hwys Code Sec 2036¹

revised est: 08/07/2017

Streets and Roads Annual Report - Reported General Fund for Street Purposes						
FY2009-10	FY2010-11	FY2011-12	Average	Adjustment	RMRA M.O.E.	
MAYWOOD	318	5,723	288,209	98,083	98,083	

The below project is being carried over from the FY 2020-21 project list:

- Pavement Rehabilitation Project FY 2020-21 Roadway rehabilitation including asphalt coldmill & overlay and slurry seal at streets identified on City's Pavement Management System. Streets include

select segments of Maywood Ave, 57th St, 58th St, 60th St, 61th St, Atlantic Blvd, Palm Ave, Alamo Ave and Slauson Ave.

The proposed project for the new fiscal year is as follows:

- FY 2021-22 Pavement Rehabilitation Project: Roadway rehabilitation including asphalt coldmill & overlay and slurry seal at streets identified on City's Pavement Management System. Streets include select segments of 57th St ,58th St, Alamo Ave, Atlantic Blvd, Fruitland Ave, Palm Ave, Randolph St, Slauson Ave, 52nd Pl, 53rd St, 55th St, 56th St, 60th St, Everett Ave, Heliotrope Circle, Pine Ave, Walker Ave.

LEGAL REVIEW:

The City Attorney has reviewed this report.

FISCAL IMPACT:

There is no fiscal impact involved with this item. Approval of the Resolution is needed for compliance with the Road Repair and Accountability Act of 2017.

ATTACHMENT(S)

RESOLUTION NO. 6185

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF
MAYWOOD, CALIFORNIA, APPROVING A LIST OF PROJECTS FOR
FISCAL YEAR 2021-22 FUNDED BY SB 1: THE ROAD REPAIR AND
ACCOUNTABILITY ACT OF 2017**

WHEREAS, Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the Legislature and Signed into law by the Governor in April 2017 to address the significant multi-modal transportation funding shortfalls statewide; and

WHEREAS, SB 1 includes accountability and transparency provisions that will ensure the residents of our City are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year; and

WHEREAS, the City must adopt by resolution a list of projects proposed to receive fiscal year funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and

WHEREAS, the City, will receive an estimated \$536,044 in RMRA funding in Fiscal Year 2021-22 from SB 1; and

WHEREAS, SB 1 funding will enable the City to continue essential road maintenance and rehabilitation projects, safety improvements, and increasing access and mobility options for the traveling public that would not have otherwise been possible without SB 1; and

WHEREAS, the City has undergone a robust public process to ensure public input into our community's transportation priorities/the project list; and

WHEREAS, the City used a Pavement Management System (StreetSaver) to develop the SB 1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the communities priorities for transportation investment; and

WHEREAS, the funding from SB 1 will help the City maintain and rehabilitate the following streets listed below throughout the City this year; and

WHEREAS, the 2018 California Statewide Local Streets and Roads Needs Assessment found that the City's streets and roads are in a "good" condition and this revenue will help us increase the overall quality of our road system and over the next decade will bring our streets and roads into a better condition; and

WHEREAS, the SB 1 project list and overall investment in our local streets and roads infrastructure with a focus on basic maintenance and safety, investing in complete streets infrastructure, and using cutting-edge technology, materials and practices, will have significant positive co-benefits statewide.

THE CITY COUNCIL OF THE CITY OF MAYWOOD HEREBY RESOLVES AS FOLLOWS:

1. The foregoing recitals are true and correct.
2. The following list of proposed projects will be funded in-part or solely with fiscal year 2021-22 Road Maintenance and Rehabilitation Account revenues:

Description	Location	Estimated Useful Life (Min/Max)	Anticipated Project Schedule Start	Anticipated Project Schedule Completion
FY 2020-21 Pavement Rehabilitation Project: Roadway rehabilitation including asphalt coldmill & overlay and slurry seal at streets identified on City's Pavement	57th St ,58th St, Alamo Ave, Atlantic Blvd, Fruitland Ave, Palm Ave, Fruitland Ave, Randolph St, Slauson Ave,	7-15	09/2021	06/2022

Management System.

52nd Pl, 53rd St, 55th St,
56th St, 60th St, Everett Ave,
Heliotrope Circle, Pine Ave,
Walker Ave

3. The following previously proposed and adopted projects may utilize fiscal year 2021-22 Road Maintenance and Rehabilitation Account revenues in their delivery. With the relisting of these projects in the adopted fiscal year resolution, the City is reaffirming to the public and the State our intent to fund these projects with Road Maintenance and Rehabilitation Account revenues:

Description	Location	Estimated Useful Life	Anticipated Project Schedule Start	Anticipated Project Schedule Completion
Pavement Rehabilitation Project FY 2019-20: Roadway rehabilitation including asphalt coldmill & overlay and slurry seal at streets identified on City's Pavement Management System.	Maywood Ave, 57 th St, 58 th St, 60 th St, 61 th St, Atlantic Blvd, Palm Ave, Alamo Ave and Slauson Ave	7-15	11/2020	06/2021

PASSED, APPROVED AND ADOPTED this 9th day of June 2021.

Ricardo Lara, Mayor

ATTEST:

Flor Aguiluz, City Clerk

APPROVED AS TO FORM:

Roxanne Diaz, City Attorney

I, Flor Aguiluz, City Clerk of the City of Maywood, do hereby certify that the foregoing Resolution No. 6185 was adopted at a regular meeting of the City Council of the City of Maywood held on the 9th day of June, 2021 by the following vote:

AYES:

SUBJECT: CONSIDERATION OF APPROVING THE COMMUNITY BENEFIT FUND APPLICATION FROM MAYWOOD CENTER FOR ENRICHED STUDIES (MACES) IN AN AMOUNT OF \$8,900 FOR MARCHING BAND CAMP, JAIME ESCALANTE SUMMER MATH CAMP AND STUDENT ATTENDANCE INCENTIVE FUNDS

RECOMMENDATION:

Staff recommends that the City Council approves the Community Benefit Fund application from MaCES in the amount of \$8,900 for Marching Band Camp, Jaime Escalante Summer Math camp and Student Attendance Incentive funds.

BACKGROUND:

The City of Maywood has established a "Community Benefit Fund" to support community based programs and activities. Applicant eligibility is determined by the City's Community Benefit Fund Guidelines and Procedures ("Guidelines"); eligible organizations, include non-profit agencies that provide programs or services to residents of the City, a school, or school-based/affiliated organizations.

DISCUSSION:

The current application was received May 28, 2021 from Gabriel Duran, principal at Maywood Center for Enriched Studies; for the application funding cycle of January 1- June 30. The school is part of the Los Angeles Unified School District. The school has approximately 1,530 students from grades 6-12th, with 80% of the students being Maywood residents.

The applicant states that the school is requesting to fund student campus programs that include the following:

MACES Marching Band Camp for our students: \$3,200

Objective: Students identify Band Camp as one of their favorite parts of the marching band experience; it is a great time for them to build relationships and foster comradery. They will participate in music regrouping, learning to play and march for halftime shows, music preparation for the fall season, and building a strong sense of community.

It is expected that about 50 students to attend as drumline, woodwind, and brass musicians as well as Color guard members. Proposed Expenses include:

- T-shirts with City of Maywood Logo
- Music Folders
- Vizors
- Sunscreen
- Lunch for students
- Water and Snacks

MACES Jaime Escalante Summer Math camp : \$3,100

Objective: Math Program Boost Camp

Seventy (70) Students in grades 8-11 will be participating in a 3 week summer course in Pre-Algebra, Geometry, Algebra 2 and Precalculus that engages students in a demanding academic schedule of pre-college and college level mathematics to prepare them to take the Advanced Placement Calculus examinations and succeed in college level math courses.

Proposed Expenses include:

- T-shirts and Math Badges with City of Maywood Logo
- Math Notebook Binders
- Lunch for students

MACES Student Attendance Incentive Funds: \$2,600

Objective: Improve Chronic Student Absences; as a result of the pandemic, the chronic absenteeism rate has increased, and many students have become disengaged from school.

Proposed Expenses include rewards for every 25 school days of attendance and they include:

- School Supplies with City of Maywood Logo
- Student Prizes
- Gift Cards
- Stickers
- T-shirts with City of Maywood Logo
- Wrist Bands

LEGAL REVIEW:

The City Attorney has reviewed this report

FISCAL IMPACT:

There is no fiscal impact as there is adequate budget to cover this expenditure. Assuming this item is approved the remaining Community Benefit account balance will be \$40,500.

F.Y. 20-21 Impact: \$8,900

Current F.Y. Budget: \$75,000

Fund Impacted: Community Benefit Fund

Budget adjustment requested: None

Source of funds: General Fund

Updated Account Budget Remaining: \$40,500

Account Number: 01-681-5237

For fiscal year: 20-21

- ☐ S1: July 1 - December 31
- ☐ S2: January 1 - June 30

Date of Application: 5/27/21

Amount Requested: \$ 8,900

Organization Name: <u>MACES SCHOOL</u> <u>MAYWOOD CENTER FOR ENRICHED STUDIES</u>	Phone Number: <u>(323) 210-1412</u>
Street Address: <u>5800 KING AVENUE</u>	Fax Number: <u>(323) 773-3001</u>
City, State, Zip: <u>MAYWOOD, CA 90270</u>	Federal EIN: <u>95-6001908</u>
Contact Person: <u>GABRIEL DURAN</u>	
Contact Email Address: <u>gduran@lausd.net</u>	

Provide a detailed description of your organization. For example, are you a school, school-based or affiliated entity, youth program, community based organization, etc.

Public School (LAUSD) serving 1,530 students in grades 6-12 with 80% of students being Maywood Residents.

Does your organization have non-profit status with the Internal Revenue Service?

Yes ☒ No ☐ (If yes, attach documentation)

How long has this organization been in existence (provide date)? August 1987

Is the organization located/based in Maywood or does it provide programs or services to Maywood residents? Yes ☒ No ☐ If yes, please explain.

80% student body Maywood residents.

Describe how the requested funds will be used? Attach a proposed budget.

See attachments.

What is the anticipated time-frame to provide the proposed program, service, event activity or goods and the expenditure of the requested funds?

Summer of 2021, Fall of School year 2021-22

Describe the organization's efforts in obtaining funding from other sources?

All school funds are restricted and must be used only for educational purpose and not incentives.

How will the requested funds have a benefit to Maywood residents?

The vast majority of students do not attend enrichment or academic camps. We are providing 120 students the opportunity to be active during their summer vacation.

How will the requested funds enhance the quality of life or the delivery of services for Maywood residents?

The attendance incentives have one purpose, to achieve 100% student graduation that can only be accomplished with students being in school to be high school graduates and potential college graduates.

How will the requested funds provide educational opportunities for Maywood residents or students?

Taking college level math and playing an instrument are skills that will enhance the school experience for our students by being a part of the programs which this community fund will support in students education.

Has your organization previously received funding from the City of Maywood?

Yes ☐ No ☒ If yes, identify the use of the funds, total amount and fiscal year in which the funds were received.

Is a member of your organization's board or executive leadership a City employee, an elected or appointed City official, or a family member of a City employee or elected or appointed City official? Yes ☒ No ☐ If yes, please explain. Vice-Mayor.

Heber Marquez is an intervention (teacher) coordinator full time at MACES.

By my signature below, I hereby certify, under penalty of perjury, that I am qualified to sign for and bind the named organization and that the information contained within and submitted with this application is complete, true and accurate. I have received a copy of the Community Benefit Fund Guidelines and Procedures and agree to abide by its provisions. If awarded funding, an agreement will be required to be executed.

Request for Taxpayer Identification Number and Certification

Give Form to the
requester. Do not
send to the IRS.

Go to www.irs.gov/FormW9 for instructions and the latest information.

Print or type.
See Specific Instructions on page 3.

1 Name (as shown on your income tax return). Name is required on this line; do not leave this line blank. Los Angeles Unified School District- Maywood Center for Enriched Studies Magnet School (MaCES)	
2 Business name/disregarded entity name, if different from above	
3 Check appropriate box for federal tax classification of the person whose name is entered on line 1. Check only one of the following seven boxes. ☐ Individual/sole proprietor or single-member LLC ☐ Limited liability company. Enter the tax classification (C=C corporation, S=S corporation, P=Partnership) * _____ Note: Check the appropriate box in the line above for the tax classification of the single-member owner. Do not check LLC if the LLC is classified as a single-member LLC that is disregarded from the owner unless the owner of the LLC is another LLC that is not disregarded from the owner for U.S. federal tax purposes. Otherwise, a single-member LLC that is disregarded from the owner should check the appropriate box for the tax classification of its owner. ☒ Other (see instructions) * Public School District and School	4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3): Exempt payee code (if any) _____ Exemption from FATCA reporting code (if any) _____ <i>(Applies to accounts maintained outside the U.S.)</i>
5 Address (number, street, and apt. or suite no.) See instructions. 5800 King Avenue	Requester's name and address (optional)
6 City, state, and ZIP code Maywood, California 90270	
7 List account number(s) here (optional)	

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Social security number								
			-			-		
or								
Employer identification number								
9	5	-	6	0	0	1	9	0 8

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Sign Here	Signature of U.S. person * 	Date May 4, 2020

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

To: City of Maywood Community Benefit Fund Application

FROM: Gabriel Duran, Principal

SUBJECT: MaCES Magnet Fund Request

Maywood Center for Enriched Studies, would like to be considered for the funding for the following student campus programs.

MACES Marching Band Camp for our students: \$3,200

Objective: Students identify Band Camp as one of their favorite parts of the marching band experience; it is a great time for them to build relationships and foster comradery. They will participate in music regrouping, learning to play and march for halftime shows, music preparation for the fall season, and building a strong sense of community.

We are expecting about 50 students to attend as drumline, woodwind, and brass musicians as well as Cologuard members. These are some of the expenses we anticipate along with the schedule.

Dates: August 2nd- 6th 2021

Times: 9:00-3:00pm

9:00-9:30: Community Building Activity
9:30-11:00: Marching Block
11:00-12:00: Rehearsal
12:00-1:00: Lunch & Community Building Activity
1:00-2:00: Sectional
2:00-3:00: Rehearsal

Expenses:

- T-shirts with City of Maywood Logo
- Music Folders
- Vizors
- Sunscreen
- Lunch for students
- Water and Snacks

MACES Jaime Escalante Summer Math camp : \$3,100

Objective: Math Program Boost Camp

Seventy (70) Students in grades 8-11 will be participating in a 3 week summer course in Pre-Algebra, Geometry, Algebra 2 and Precalculus that engages students in a demanding academic schedule of pre-college and college level mathematics to prepare them to take the Advanced Placement Calculus examinations and succeed in college level math courses.

Expenses:

- T-shirts and Math Badges with City of Maywood Logo
- Math Notebook Binders
- Lunch for students

MACES Student Attendance Incentive Funds: \$2,600

Objective: Improve Chronic Student Absences

As a result of the pandemic, the chronic absenteeism rate has increased, and many students have become disengaged from school. At MaCES currently 855 students have more than 7 missed periods. In addition, we currently have 4.2% of our student population in the Basic band and 5.3% of our student population in the Far Below basic attendance band, which means we need to provide extra support to these students to ensure we meet the district goal of 100% attendance and 100% graduation.

As you know this year has been hard on our students and families at MaCES. Our school cannot provide the amazing education, counsel, and provide intervention to an empty chair and that is why promoting attendance is vital. Our attendance incentive program at MACES is critical to help our students recover by promoting and providing incentives to help their social-emotional state of mind and help them re-engage back in school. An attendance incentives program is vital to be in place when we start the new 2021-22 school year.

Expenses: for rewards every 25 school days of attendance

- School Supplies with City of Maywood Logo
- Student Prizes
- Gift Cards
- Stickers
- T-shirts with City of Maywood Logo
- Wrist Bands

CITY OF MAYWOOD COMMUNITY BENEFIT FUND GUIDELINES AND PROCEDURES

I. BACKGROUND

The City of Maywood has established a "Community Benefit Fund" to support community-based programs and activities.

II. PURPOSE

The purpose of this policy is to provide guidelines and procedures for the distribution of public funds, which will in turn fund community programs, activities and educational activities conducted by Eligible Organizations that meet the requirements and guidelines set forth by the City Council in this policy.

III. ELIGIBILITY AND POLICY

A. Eligible Organizations. The requesting organization must be: (1) a non-profit agency as defined by the Internal Revenue Service (IRS) with a tax exempt status of 501(c)(3) and is in good standing in the State of California based in the City or provides programs or services to residents of the City; a school or school-based/affiliated organization located in the City; or other City-based organization such as athletic organizations or community groups (collectively called "Eligible Organizations"); (2) must be in existence prior to submittal of an application; and (3) must have a record of successfully providing the type of service, activity or program for which funding is requested.

B. Eligible Services and Activities. To apply for a grant under the City Community Benefit Fund, the Eligible Organization must provide a service, activity or other community benefit to the residents or the specified target group within the City by: (i) enhancing the quality of life or the delivery of services in the City; or (ii) providing educational opportunities for the residents or students of the City. Categories of services and activities eligible for grants include but are not limited to educational programs, cultural activities (i.e. music, art, dance, recreation), youth athletics, civic projects, health and safety programs, services sponsored by Maywood community organizations and public services (i.e. senior services, youth programs, health services). If the request relates to a community event, the event must be advertised and open to the public. Grants will be awarded in maximum amounts of no more than \$ 5,000.00. In the event that the City of Maywood undergoes a declared State of Emergency, City Council may award up to \$10,000.00 for non-profit organizations or schools that service the Maywood community.

C. Restrictions and Ineligible Organizations.

1. Grants shall not be used for religious activities or political campaigning purposes or activities.

2. A non-profit entity, a school or school-based/affiliated organization or other

CITY OF MAYWOOD COMMUNITY BENEFIT FUND GUIDELINES AND PROCEDURES

City-based organizations such as athletic organizations or community groups that have as a member of their board or executive leadership a City employee, a City elected or appointed official or members of their family, are not eligible to apply for a Community

Benefit Fund grant. Family members include spouse or domestic partner, child, parent, grandparent, grandchild, cousin, aunt, uncle, sibling, niece, nephew, parent-in-law, brother-in-law or sister-in-law, as well as all step relationships.

D. City Projects. This policy does not preclude the City from undertaking and funding projects on its own initiative that would be a benefit to the community.

IV. APPLICATION PROCEDURES

A. Submittal of an Application. Applicants must use the Community Benefit Fund application form. Forms are available on the City website at www.cityofmaywood.org and at Maywood City Hall at 4319 E. Slauson Avenue, Maywood, CA 90270. Applications may be requested by email at gisselle.delgado@cityofmaywood.org

B. Application Deadline. The City Council will have application cycles available to consider requests contingent upon monies being available under the program. The application cycles and deadlines are as follows:

<u>Application Cycle</u>	<u>Application Deadline</u>
Semester 1: July 1 - December 31	June 1
Semester 2: January 1 - June 30	December 1

The application must be submitted by 5:00 p.m. on the applicable deadline date addressed to: City of Maywood, Attention: Community Benefit Fund via City Manager's Office, 4319 E. Slauson Avenue, Maywood, CA 90270.

C. General Information.

1. Applicants may apply for funds during any application cycle. Notwithstanding, funds must be requested and spent during the same fiscal year in which the award was approved by the City Council.

2. Organizations may submit only one application per fiscal year.

**CITY OF MAYWOOD
COMMUNITY BENEFIT FUND
GUIDELINES AND
PROCEDURES**

3. Funding to an Eligible Organization will not constitute a precedent for contributions in subsequent fiscal years.

V. EVALUATION OF APPLICATION AND SELECTION PROCESS

A. Review of Applications. Following the application deadline, City Staff will review the applications. Applicants may be contacted if further information is requested, to answer questions, clarify their application, etc. All applications will be evaluated to ensure that the applicant is an "Eligible Organization" and that purpose for which the grant is sought is consistent with this policy. Applications and recommendations of Staff, if any, will be presented to the City Council during a regular scheduled City Council meeting for the Council's consideration and approval.

B. City Council Action. The City Council will take final action on award of all grants and maintains the discretion to fund in whole or in part any request or not to fund any or all requests during the Application Cycle. Alternatively, the City Council may hold-over any application into the next Application Cycle. In the case of multiple applications that are competing for limited available funds, consideration may be given to applications based on the following criteria: (i) the number of residents who are expected to benefit, participate in or be positively impacted by the program; (ii) the performance of the applicant in prior years, including demonstrated fiscal responsibility and compliance with applicable requirements; (iv) the amount of funding previously awarded to the applicant or the program or event in prior years; and (v) the total amount of funding requested as a proportion of the total available funds for the applicable fiscal year.

VI. POST AWARD REQUIREMENTS

A. Agreement. All Eligible Organizations elected to receive funds will be required to sign and execute an agreement with the City of Maywood.

B. Reporting. Eligible Organizations must complete a report, within 45 days of fund expenditure, describing the use of the grant and amount expended, the number of participants in the event or program, copies of any publicity of the event or program, and a narrative regarding the benefit to the City of Maywood. The City reserves the right to conduct an audit and/or require additional back-up information to substantiate how funds received from the City were expended. Failure to submit this required report will make the Eligible Organization ineligible for allocation of future funds until the required report is submitted. These reports will be reviewed and taken into account for evaluating subsequent funding proposals from that entity.

C. Request for Funds. The Eligible Organization receiving the funds is responsible for submitting a funds request to the City's Finance Director and shall allow the City up to 30 days to process the request. If a third-party vendor is the recipient of the funds (i.e. bus company used for field trip), then the request shall include the information regarding

**CITY OF MAYWOOD
COMMUNITY BENEFIT FUND
GUIDELINES AND PROCEDURES**

D. that vendor including their Tax Identification Number and the check shall be made payable to that vendor. If the grant is to be used to purchase tangible goods or services, the City has the discretion to purchase the goods or services directly and pass-through the goods or services to the Eligible Organization rather than provide the funding.

E. Return of Funds to the City. Unexpended funds must be returned to the City at the end of the fiscal year. Funds must also be returned to the City if the City determines that the applicant has not performed in accordance with the approved application listing the use of the funds.

F. Failure to Abide by Policy. The failure of an Eligible Organization to abide by this Policy will result in the Eligible Organization being denied for funding in the future.

AGENDA REPORT

CITY OF MAYWOOD

AGENDA ITEM NO. 7.

DATE: June 9, 2021

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: JENNIFER VASQUEZ, CITY MANAGER

BY: HRANT MANUELIAN, FINANCE DIRECTOR

SUBJECT: CONSIDERATION OF RESOLUTION NO. 6186 ESTABLISHING AN APPROPRIATION LIMIT PURSUANT TO ARTICLE XIII B OF THE CALIFORNIA CONSTITUTION FOR FISCAL YEAR 2021-2022.

RECOMMENDATION:

Staff recommends that the City Council adopt Resolution No. 6186 that establishes the appropriations limit for Fiscal Year 2021-2022 at \$ 9,537,086.

BACKGROUND:

An annual appropriations limit of tax proceeds of the General Fund, established by the City Council through a resolution, is required as a result of the 1979 Proposition 4, Gann Initiative, Article XIII B of the State Constitution and Section 7910 of the Government Code. This limit, referred to as the Gann Limit, limits the level of appropriations from tax sources that state and local governments are permitted to make in one given year. It also requires these agencies to return to taxpayers any tax revenues in excess of the limit.

DISCUSSION:

Staff has prepared a series of worksheets to support the calculation of the FY 2021-2022 Gann Limit. Using the FY 2021-2022 Proposed Budget Revenues, each worksheet serves to carefully document the analysis of proceeds versus non-proceed of tax, including an allocation of interest between all sources of revenue.

Worksheet No.6, for example, provides last year's (FY 2020-2021) limit \$9,437,898, the annual adjustment to the limit based on a weighted composite of population and inflation growth, and the new limit for FY 2021-2022, or \$ 9,537,086.

Worksheet No.4 shows how much the City expects to receive in proceeds of taxes subject to limitation for FY 2021-2022 at \$10,477,432 and its relation to the Gann Limit.

It is important to mention that the City is safely within its Gann Limit by \$542,164 in FY 2021-2022.

The City Council's goal of maintaining fiscal responsibility and stability will be advanced through the review and adoption of the Gann Appropriations Limit for Fiscal Year 2021-2022.

LEGAL REVIEW:

The City Attorney has reviewed this report.

FISCAL IMPACT:

There is no fiscal impact as a result of this item.

RESOLUTION NO. 6186
A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF
MAYWOOD, CALIFORNIA ESTABLISHING AN APPROPRIATIONS
LIMIT FOR THE CITY OF MAYWOOD FOR FISCAL YEAR 2021-2022

WHEREAS, Section 7910 of the California Government Code requires the City Council to establish its appropriation limit pursuant to Article XIII B of the State Constitution by resolution each year; and

WHEREAS, Section 7910 allows the City Council to choose between various factors to be used in the calculation of said appropriation limit, and

WHEREAS, the Finance Department of the City of Maywood has determined the City's appropriations limit for Fiscal Year 2021-2022 in accordance with the Constitution and laws for the State of California and the documentation used in said determination has been made available to the public in the office of the City Clerk.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MAYWOOD DOES HEREBY FIND, DETERMINE AND RESOLVE AS FOLLOWS:

Section 1. The recitals set forth above are true and correct and incorporated herein as if set forth in full.

Section 2. The City Council elects to use as the annual adjustment factors in calculating the appropriations limit, the California per capita Income and the annual population growth for the City of Maywood, both as determined by the California Department of Finance.

Section 3. The City Council hereby establishes the appropriations limit for the City of Maywood for Fiscal Year 2021-2022 at \$ 9,537,086.

Section 4. The City Clerk shall certify to the adoption of the resolution and shall cause a certified resolution to be filed in the book of original resolutions.

PASSED, APPROVED AND ADOPTED THIS 9th day of June, 2021.

FY 2021-2022 ADJUSTMENT FACTORS & CALCULATION OF APPROPRIATIONS LIMIT

Under Proposition 111, each of the major adjustment factors have two options. The available options for these factors for the purpose of calculating the Fiscal Year 2021-2022 adjustments are as follows:

Price Factors:

A) Percent change in State per Capital Personal Income: 5.73%

Price Factor A 1.0573

B) Percent change in Assessed Valuation in non-residential
new construction 5.68%

Price Factor B 1.0568

Population factors:

C) Percent change in County Population: -0.46%

Population factor C 0.9954

D) Percent change in City Population -0.60%

Population factor D 0.994

Annual Adjustment Factors:

Based upon the actual data, the four possible adjustments factors are as follows:

$$(A \times C) = (1.0573) \times (0.9954) = \mathbf{1.052436 \text{ Recommended}}$$

$$(A \times D) = (1.0573) \times (0.994) = 1.050956$$

$$(B \times C) = (1.0568 \times 0.9954) = 1.051939$$

$$(B \times D) = (1.0568 \times 0.994) = 1.050459$$

AGENDA REPORT

CITY OF MAYWOOD

AGENDA ITEM NO. 8.

DATE: June 9, 2021

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: JENNIFER VASQUEZ, CITY MANAGER

BY: STEVE FOWLER, DIRECTOR OF BUILDING AND PLANNING

SUBJECT: CONSIDERATION TO APPROVE AND AUTHORIZE THE CITY MANAGER TO EXECUTE AN AGREEMENT WITH SOUTHERN CALIFORNIA EDISON TO REPLACE HIGH-PRESSURE SODIUM VAPOR (HSPV) STREET LIGHTS WITH LIGHT EMITTING DIODE (LED) STREET LIGHTS.

RECOMMENDATION:

Staff recommends that the City Council adopt Resolution 6184

1. Approving and authorizing the City Manager to execute an agreement with Southern California Edison for LS-1 Option E, Energy Efficiency Light Emitting Diode Fixture Replacement Rate: and
2. Authorizing the City Manager to execute any additional documents related to the Agreement

BACKGROUND:

There are 528 existing streetlights in the City that are Southern California Edison (SCE) owned. The annual electricity bill is approximately \$126,619. On June 1, 2016, SCE introduced the LS-1 Option E rate to agencies that desire to replace SCE-owned streetlights from existing high-pressure sodium vapor (HSPV) streetlights to new energy-efficient light emitting diode (LED) streetlights.

DISCUSSION:

Under this option, the City does not pay an upfront cost. SCE's capital investment will be offset through an energy efficiency premium cost (EEPC). The EEPC will be paid by the City through energy savings over a 20-year period ("Repayment Period"). During the Repayment Period, the City would still realize an approximate annual savings of \$31,155 in energy costs. An estimated annual savings of approximately \$41,773 should be expected after the Repayment Period.

Similar to the current LS-1 tariff, SCE will continue to provide routine maintenance and replacements, including knockdowns.

In addition to the monetary savings, LED streetlights provide a multitude of benefits including:

- Directional lighting source ability, resulting in lighting spillover reduction.
- Long lasting, resulting in less SCE streetlight outage service calls.
- Clearer lighting, resulting in enhanced nighttime visibility.
- Reduced carbon emissions and pollution, resulting in a more sustainable environment.

Many cities in SCE's service territory have elected this LS-1 Option E rate, such as Covina, La Palma, Buena Park, and Rosemead. Participation in the LS-1 Option E rate is voluntary. The City would need to enter into an agreement with SCE for the LS-1 Option E rate. Based on SCE's current projections, implementation would take place approximately 6-month after agreement execution

LEGAL REVIEW:

The City Attorney has reviewed the agreement and approved the resolution as to form.

FISCAL IMPACT:

The approval of the LS-1 Option E agreement does not require an upfront cost. The capital investment will be offset by the expected energy savings. The City is expected to realize an annual savings of approximately \$31,155 during the Repayment Period.

AGENDA REPORT

CITY OF MAYWOOD

AGENDA ITEM NO. 9.

DATE: June 9, 2021

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

FROM: JENNIFER VASQUEZ, CITY MANAGER

BY: ABEL HERNANDEZ, PUBLIC WORKS COORDINATOR

SUBJECT: CONSIDERATION OF AWARDING A CONTRACT TO NATIONWIDE ENVIRONMENTAL SERVICES FOR CITYWIDE STREET SWEEPING SERVICES

RECOMMENDATION:

It is recommended that City Council award a contract to Nationwide Environmental Services (NES) to provide citywide street sweeping services in the form approved by the City Attorney.

BACKGROUND:

The City of Maywood is responsible for the street sweeping maintenance of approximately 53 curb miles within the community. These curb miles include, but are not limited to; residential streets, commercial streets, arterial, collector, and median curbs. The State of California Clean Water laws require municipalities to clean and sweep their public streets to ensure that trash and debris do not flow from the street into the storm drain system and ultimately to the US/Los Angeles River waterways. The current street sweeping contract is with CleanStreet; they have been providing street sweeping services for the community for approximately two years.

DISCUSSION:

The City of Maywood issued a Request for Proposals (RFP) on April 30, 2021 from professional companies who provide street sweeping services to municipalities. The city received two responsible bids by the set deadline of May 28th at 2pm. The two proposals received were submitted by Nationwide Environmental Services (NES) and CleanStreet.

Both contractor proposals have been reviewed and both are qualified and experienced within their proper industry. In reviewing said proposals, the following information was evident.

CleanStreet being the current street sweeping contractor, has provided the city with good reliable service, has been responsive with any additional city needs and touts 33 years of experience. CleanStreet has and currently contracts with various other municipalities. The CleanStreet bid provides good value to the City of Maywood.

Nationwide Environmental Services (NES) also presents much experience and value to the city and its residents as evident through their proposal. NES offers approximately 53 year of experience in the street sweeping industry has provided service to over 40 municipalities. The NES bid also presents good value to the city. The NES bid also included an "Enhancements" page with the following offers:

1. First year of the contract term, NES will sweep arterial streets twice per week Free of Charge.
2. First three years of contract term, NES will provide 24 hours of special emergency sweeps annually Free of Charge.
3. NES will waive the first month's fee of \$7,410.00.

Both contractors have a great track record of proven good service, use CNG vehicles, provide sufficient/qualified staff and backup staff for service, have the necessary experience and fleet, and both also comply with environmental mandates set forth by the South Coast Air Quality Management District (SCAQMD).

It is recommended that the city council select NES based on the attached Price Sheet Bid Result sheet. Per the RFP, the contract would be approved for an initial term of seven years with three – one year extension options; they have provided the lowest annual rate. The approved contract would also allow for Consumer Price Index (CPI) increases or adjustments upon approval of each one year extension only; there will not be a CPI increase during the initial seven year contract term.

LEGAL REVIEW:

The City Attorney has reviewed this report.

FISCAL IMPACT:

The budget for this contract will be included in the FY 21-22 budget. Therefore, no budget amendment is currently needed for this item for FY 20-21. The term of the proposed contract with NES would begin July 1, 2021 and end June 30, 2022; in an amount not to exceed \$88,920. For FY 21-22 the City will budget \$88,920 from the General Fund.

In accordance with the Road Repair and Accountability Act of 2017 (SB1); city's have a local agency maintenance of effort (MOE) amount that must be spent to remain in compliance. The City of Maywood's MOE for this fiscal year is \$98,083. Due to this requirement staff is recommending that the general fund be allocated for the citywide street sweeping services.

May 25, 2021

City of Maywood
4319 E Slauson Ave.
Maywood, CA 90270

Dear Sirs,

Enclosed is our proposal for providing a high quality street maintenance program for the City of Maywood.

Our proposal contemplates complete compliance with all terms and conditions set forth in your request for proposals.

We serve more than 55 cities in southern California. We are committed to providing a high quality street maintenance program and high quality customer service. Quality street maintenance is the primary business that CleanStreet engages in, not a secondary business endeavor.

We understand that the City of Maywood is seeking quality reliable service. We are confident that we will be able to perform this contract perfectly without any exceptions or problems.

The proposed price shall be valid for a period of three (3) years.

I am the Director of Business Development and I will serve as the contact person for this project. I can be reached by phone at (800) 225-7316 x108, by cell at (310)740-1601, by fax at (310) 538-8015 or by email at randerson@cleanstreet.com.

Thank you for this opportunity. I hope we can be of service.

Sincerely,
CLEANSTREET

Rick Anderson
Director of Business Development

BACKGROUND

CleanStreet has its headquarters in Gardena, California. CleanStreet was formerly known as California Street Maintenance and South Bay Sweeping.

Company founder, Jere Costello began sweeping shopping centers in 1961. In 1969 with the help of George Graziadio and Imperial Bank, Jere purchased his first revolutionary and dependable Tymco Air Sweeper.

By 1973, the company had become one of the largest shopping center sweeping companies in Southern California. That year the company began sweeping its first municipality, Rolling Hills Estates. We will always be grateful to City Manager Harry Peacock for giving us that opportunity.

In 1978 Proposition 13 passed. All of sudden more cities became interested in saving money. Often potential municipal clients would say “of course we would like to contract for street sweeping services and save money, but how do we know you will do a good job? We have had some bad experiences with irresponsible and non-responsive contractors.”

We would say, “We will make a simple promise to you and your City. We will sweep every street on time every day. We will instruct our operator to take as many passes as are necessary to clean every street thoroughly. If we ever do receive a complaint, we will re-sweep it immediately. No questions asked.”

As word spread that we are a good dependable company, we slowly and steadily grew year after year. Our commitment to quality and customer satisfaction turned out to be an overwhelming success.

Today CleanStreet serves scores of municipalities and major private facilities with high quality cleaning and sweeping services. The key to our success is the fact that we kept that promise of quality to our clients.

CleanStreet takes pride in its high level of expertise that it brings to every job. We employ the best methods and the most effective equipment.

Our employees are well trained and enjoy good pay and healthcare benefits. Our employees take great pride in the quality of their work and in your complete satisfaction.

SCOPE OF WORK

CleanStreet understands that the City of Maywood is seeking quality reliable street sweeping service.

If selected to continue services, CleanStreet will be responsible for Sweeping all arterial, collector, industrial, residential and commercial streets, alleys, cul-de-sacs and median island curbs. CleanStreet will also remove all large items such as cardboard, palm fronds, and rocks. Lastly, CleanStreet will provide additional sweeping services for special events and emergencies.

All services provided will adhere to city maps and schedule.

METHODOLOGY

Introduction

The primary objective of street sweeping program is to remove all trash, including, but not limited to, paper, glass, bottles, cans, litter, dirt, sand, silt, small rocks, and other debris, to maintain a state of cleanliness.

Over the past several decades, CleanStreet has established and perfected methods for achieving and maintaining these goals. We have found that if we adhere to this proven methodology, we can provide high-quality service and at the same time virtually eliminate complaints and leave your staff free to deal with other matters. This is the key to our success.

The following is a list of the most important components of our methodology.

Operator Training

CleanStreet employs more than 70 well-trained municipal street sweeper operators, who are proficient in all aspects of operating and adjusting the Tymco 600 Air Sweeper.

Our operators understand the relationship between rear engine speed and ground speed, and are able to adjust these, along with the gutter brooms and pick-up heads, to optimize the performance of the sweeper.

Further, the operators that we assign to the City will have extensive experience sweeping accounts similar to yours.

Operator Instructions

Our operators will be instructed to thoroughly sweep each and every location designated in the proposal. They will have clear instructions to take additional passes as necessary to accomplish that goal.

We expect our operators to take great pride not only in their work, but also in the customer's satisfaction with their performance. We want our operators to feel that they are an important part of the City.

Operator Safety

CleanStreet insists that our operators be courteous and patient with motorists. All street

(800) 225-7316 x108
1937 W. 169th Street
Gardena, CA 90247

METHODOLOGY

sweepers shall travel with the direction of traffic. We also monitor our operators' driving records with DMV Pull Notices.

We celebrate and reward the quality of our operators' performance at our annual Awards Banquet.

Permanent Operator Assignment

We ensure the quality of our work by making operator route assignments permanent. This allows our operators to become intimately familiar with the idiosyncrasies and special requirements of their route. We only change our operators when it is absolutely necessary.

Back-up Operators

We have back-up operators on standby at all times. The large size of our workforce ensures that there will never be a shortage of sweeper operators, and that you will not suffer an interruption in service.

Consistent Supervision

We will have a veteran street sweeping supervisor continually monitor operator performance. Supervisors and foremen communicate effectively, both in written and oral English, and are present at all times during contract operations.

Consistent Schedule

In our experience, we have found that one of the most important things is consistency.

Dispatch Staff

The nerve center of CleanStreet is the dispatch department. We have two highly-trained and experienced dispatchers available at all times to handle your calls. They are authorized to take whatever steps necessary to handle any issues quickly and professionally.

Quality Equipment

We will be using Tymo 600 Air Sweepers to maintain the designated areas. All sweepers are powered by alternate fuel and fully compliant with SCAQMD Rule 1186.1

(800) 225-7316 x108
1937 W. 169th Street
Gardena, CA 90247

METHODOLOGY

and SCAQMD Rule 1186. Our sweepers will be kept clean and professional in appearance, and will be maintained in optimal operating condition and adjustment at all times.

Sweeper Maintenance and Repair

CleanStreet operates a state-of-the-art street sweeper repair facility at our headquarters in Gardena.

We employ 10 full-time, factory-trained mechanics and six (6) mechanics' helpers. They are experts in every aspect of sweeper maintenance and repair. We also keep an extensive inventory of parts and supplies on hand to minimize maintenance and repair delays.

Monthly Reporting / Meetings

At CleanStreet, we believe that high-quality communication is key to maintaining high-quality service. We accomplish this through careful documentation. We create monthly reports to track our performance, and hold a monthly meeting if there are issues to resolve.

A phone log will be kept of all calls from the City. This log will include all calls (even those that did not include a request for service) and the action taken, and will be submitted monthly.

Water

CleanStreet will be issued water meters, which will be used when filling equipment from the City's fire hydrants. CleanStreet will be responsible for the deposit required to obtain the water meters, and all charges associated with the use of the City's water.

Debris

A clean street means minimal debris – residual or tailings. Sweepers will not blow debris onto private property nor drain any water from the hopper onto the street. All materials collected by CleanStreet's will be transported to and dumped in a designated area.

(800) 225-7316 x108
1937 W. 169th Street
Gardena, CA 90247

METHODOLOGY

Hydraulic Spills

CleanStreet will make every effort to prevent hydraulic leaks. Any leaks that do occur will be reported to the City immediately, and the affected areas will be pressure washed. CleanStreet will collect all of the gray water and properly dispose of it in our clarifier.

Global Positioning System (GPS)

CleanStreet equips all of its sweepers with a global positioning satellite (GPS) system from @Road. This data is monitored in real time by CleanStreet's dispatchers. This permits CleanStreet to monitor the drivers' speed, time, and location.

Our operations analyst downloads the GPS reports from the internet daily. Additionally, the real-time system alerts our managers via e-mail if the brooms are down a half hour or longer, or if the sweeper exceeds its speed limit. In this case, there will be communication between either the manager or the dispatcher and the sweeper via cell phone to ensure proper action is taken.

Authorized public works employees can generate and print GPS reports at any time. Data is available for six months and can be downloaded in Excel document format.

Emergency Sweeping

CleanStreet will provide the City the names and telephone numbers of at least two qualified emergency contact employees. City representatives may call when emergency maintenance is needed during hours when CleanStreet's normal workforce is not present in the City. These representatives shall respond to said emergency within 30 minutes of receiving notification.

Complaint Response Policy

CleanStreet will correct deficiencies and/or complaints on the same day they are received. Re-sweeps of the deficient area will not be billed to the City.

(800) 225-7316 x108
1937 W. 169th Street
Gardena, CA 90247

CleanStreet has restructured the way we manage our resources and our services. We are using a team approach that shares the responsibilities of Management.

ORGANIZATIONAL INFORMATION

Rick Anderson, Director of Business Development

The contract manager and key contract representative is Mr. Rick Anderson. Mr. Anderson has been with the company since 1989, and has the experience and expertise to deal with any issue that might arise during the performance of this contract.

He has the authority to take whatever steps necessary to deliver high-quality service. Mr. Anderson is responsible for all pricing and staffing decisions for the organization and approach to this contract. He will be intimately involved in all aspects of the implementation of this contract.

Alex Farias and Lily Jiminez, Dispatcher

Dispatch can handle all of your calls with special requests or complaints. They are calm, courteous and capable of responding quickly and effectively to your calls. Their communication skills are a major asset to CleanStreet, and will be to your organization as well.

Both Alex and Lily offer a high degree of professionalism, solid business ethics, and extensive computer skills. Alex and Lily are reliable, have a positive attitude and work effectively and with a sense of urgency. They can quickly read, understand, and use street maps and complex mapping software.

Jeremiah Costello, Fleet Manager

Jeremiah is the most recent family member to join CleanStreet. He is the Fleet Manager.

Jeremiah is a graduate of University of Southern California with a Master's Degree in Business Administration. He is responsible for overseeing all repairs and maintenance of our fleet. Jeremiah is an excellent asset to CleanStreet.

Mike Zamora, Operations Manager

Mike joined CleanStreet in 2018. He is the Operations Manager.

Mike has been in the transportation industry for 16 years exclusively with waste collection and maintenance. Mike's responsibilities include management of all core driver functions, safety improvement, logistics, and customer service engagement.

1937 W. 169th Street
Gardena, CA 90247

EQUIPMENT

Our method of operation emphasizes the use of new, late model sweeping equipment. We own and operate over 129 street sweepers.

CleanStreet equips its trucks with Global Positioning Satellite (GPS) system. All of the real-time data is monitored by CleanStreet's dispatchers. This permits CleanStreet to monitor the driver's speed, time and location.

All equipment used in the performance of this contract will be compliant with SCAQMD Rules 1186 and 1186.1.

Repair and Maintenance Crew:

CleanStreet has seven full-time mechanics who are expert in the repair and maintenance of our equipment. Our mechanics are factory trained to help ensure high quality performance of our equipment. We also have mechanics available around-the-clock to help insure our ability to meet our commitments.

CleanStreet knows that one of the keys to customer satisfaction is dependable well maintained equipment. Consequently, we feel that the quality of our repairs and maintenance is crucial to our sweepers.

We have an additional four full-time employees who are mechanics' helpers. They change brooms, tires, and help keep our sweepers clean.

Tymco Air Sweepers:

ADDENDUM #1

CITYWIDE STREET SWEEPING SERVICES REQUEST FOR PROPOSALS

NOTICE TO ALL PLAN HOLDERS/CONTRACTORS

This addendum and its attachments shall become a part of the specifications and shall apply to the Proposals for the above named Request for Proposal.

The Bidder(s) shall notify all affected subcontractors, material suppliers, and others to incorporate necessary cost updates, to the bid proposal and the work changes by this Addendum.

In the event of conflict between specifications and this addendum, the addendum shall take precedence.

The following additions and amendments attached herein shall be made to part of the Contract Specifications for the Citywide Street Sweeping Services Request for Proposals, and shall be included in the proposal to be submitted.

QUESTIONS RECEIVED BY CITY AND ANSWERS

1. Please confirm the contract term is for 7 years plus 3 one year options totaling 10 years. In the Introduction section (page 1) it indicates the term will be a maximum of 9 years, however, the rest of the document states 7 years plus 3 one year options.

ANSWER: Contract is for a term of 7 years, plus 3 one year options, for a possible total term of 10 years.

2. The Introduction section (page 1) indicates to bid on two options, however, the RFP only references one option. Please clarify.

ANSWER: There is only one option to bid on. Please disregard this typo.

3. General Conditions – Indicates the payment of prevailing wages. However, prevailing wages are not required for street sweeping services. Please clarify.

ANSWER: Prevailing wage will NOT be applicable to this proposal/bid.

4. General Conditions – Indicates that a performance bond will be required. However, performance bonds are not required for street sweeping services. Bonds are typically required for construction projects. Please clarify.

ANSWER: A Performance Bond will NOT be required for this proposal/bid.

5. Please clarify if there will be an annual CPI adjustment or if the CPI will only be granted on the 3 one year options.

ANSWER: The Consumer Price Index (CPI) – All Urban Customers (Los Angeles) shall only be granted for the 3 one year options.

6. Please clarify that the final agreement will include the CPI language.

ANSWER: Yes, the final agreement will include the CPI language.

7. Price Sheet – Can the City modify the price sheet to remove the curb mile column and only include a column for the monthly/annual fee? Also, can the City please include a separate line item for cost per curb miles for added streets and a separate line item for hourly rates? Most street sweeping services are invoiced at a base monthly amount and hourly rates for special/emergency service requests?

ANSWER: City has considered these requests and modified ATTACHMENT A: PRICE SHEET AND MAINTENANCE FREQUENCIES in a manner as to provide clearer pricing and best value for city residents.

ADDENDUM #2

CITYWIDE STREET SWEEPING SERVICES REQUEST FOR PROPOSALS

NOTICE TO ALL PLAN HOLDERS/CONTRACTORS

This addendum and its attachments shall become a part of the specifications and shall apply to the Proposals for the above named Request for Proposal.

The Bidder(s) shall notify all affected subcontractors, material suppliers, and others to incorporate necessary cost updates, to the bid proposal and the work changes by this Addendum.

In the event of conflict between specifications and this addendum, the addendum shall take precedence.

The following additions and amendments attached herein shall be made to part of the Contract Specifications for the Citywide Street Sweeping Services Request for Proposals, and shall be included in the proposal to be submitted.

Correction to Attachment A

A typo was corrected in Attachment A “Price Sheet and Maintenance Frequencies”, specifically on the frequency of service for Residential North West. The language has been corrected from “Once/Every Other Week” to “**Once/Weekly**”.

Nationwide Environmental Services®

Division of Joe's Sweeping, Inc.

May 28, 2021

Mr. Abel Hernandez
Public Works Coordinator
City of Maywood
4319 E. Slauson Ave.
Maywood, CA 90270

Re: Street Sweeping Services

Dear Mr. Hernandez:

Nationwide Environmental Services (NES), one of the first certified street sweeping contractors in the nation has provided street sweeping services to over 40 municipalities in the Southern California region since 1968 and **proudly provides street sweeping services to most of the cities in Southeast Los Angeles.** NES is second generation, **woman owned** family business providing state-of-the-art street sweeping, catch basin cleaning, graffiti abatement, bus stop maintenance, parking lot sweeping and roll-off services at competitive prices. As a division of Joe's Sweeping, Inc., NES pledges to continue to provide the excellent and professional service that, historically, has been proven to be our company's most distinguishing attribute.

NES is the leading provider of street sweeping services in Southern California and has one of the largest fleet of alternative fueled street sweepers to assist municipalities in complying with SCAQMD Rule 1186 and 1186.1. NES is proud to state that it is the first street sweeping company in the world to have its own in-house alternative fueling (CNG) station. NES not only provides clean, alternative fuel street sweepers but also has an outstanding fleet maintenance and safety program. NES is committed in providing quality street sweeping services with a dedicated staff to ensure a clean, healthy and safe environment with competitive rates. NES is known for its reliability, reputation and quality services with a courteous and responsive customer service department.

NES' proposed price shall be valid for a period of seven (7) years. The sweeping contract will be managed from our headquarters located at 11914 Front Street, Norwalk, CA 90650.

NES looks forward to providing street sweeping services to the City of Maywood. If you have any questions, please feel free to contact me at (562) 860-0604.

Thank you for your consideration.

Sincerely,

A handwritten signature in blue ink, appearing to read "Ani Samuelian".

Ani Samuelian
President

11914 Front Street • Norwalk, California 90650 • (562) 860-0604 • Fax (562) 868-5726
www.nes-sweeping.com

Nationwide Environmental Services (NES), a division of Joe's Sweeping, Inc., was established in 1968 and is a California corporation with over 100 employees. NES is one of the largest street sweeping companies in the nation. Through ceaseless dedication, founder Joe Samuelian, who started sweeping parking lots in 1968, created a company that has served over 50 municipalities throughout California. The company's success lies in its mission statement: to provide the highest level of customer satisfaction with quality services using state-of-the-art, environmentally friendly technologies. By implementing this mission statement to every service provided, NES has not only created a cleaner environment, but has also inspired the true beauty of every municipality to shine.

Our extensive fleet of sweeping and cleaning vehicles continues to maintain municipalities, residential communities, homeowner's associations (HOA), business parks, parking facilities, construction sites, private companies, various unified school districts and transportation authorities. Our current contracts cover street sweeping services within the Greater Los Angeles Area and the surrounding areas of Orange, Ventura, San Bernardino, and Riverside Counties, serving over 1.5 million citizens.

NES implements only the most technologically advanced softwares and employs the most experienced and dedicated management and personnel. Through this dedication to excellence, NES proactively addresses the needs of the communities we serve.

Our clean and efficient street sweeping services enhance a community's appearance and consistently ensure a cleaner environment in which to reside and work. This type of environment promotes community pride and helps increase property values.

At NES, we realize the importance of a clean and dependable fleet. This is why our vehicles are routinely cleaned and inspected to make sure they provide the highest level of service. Our equipment technicians are highly qualified and every operator is a trained professional. Everyone at NES is dedicated to keeping our fleet on the road and on time. Here at NES, great service is our priority, and we are serious about keeping your community clean.

Scope of Service

NES will provide street sweeping services of all City streets including arterial, collector, industrial, residential, commercial, cul-de-sacs, median curbs, alleys and public parking lots as specified in the RFP. Sweeping services will be performed in accordance to the highest maintenance standards. NES' "Clean Sweep" policy will be implemented throughout the course of the contract term, which is making as many passes as necessary to maintain streets free of debris.

NES provides consistent and thorough sweeping services, thereby, ensuring not only a cleaner environment in which to reside and work, but additionally, assists communities in diverting debris from storm drain systems. The diversion of debris is an important step in meeting NPDES (National Pollutant Discharge Elimination System) mandates.

In addition, if the sweeper is unable to collect all the debris around or adjacent to a bulb out, the sweeper operator will physically pick up and remove the debris. Furthermore, if debris is caught between car stops and major crevices within any parking lot, NES will blow out the debris to allow the sweeper to pick up. If needed, the sweeper operator will physically pick up the debris.

Disposal

NES will transport and dispose of all sweeping at a composting or recycling center in accordance with all city, county, state and federal requirements. NES will obtain a minimum of 85% diversion rate from landfills. NES will provide monthly tonnage reports and will identify where the sweepings were disposed. In addition, NES will provide a letter from the facility certifying the percentage of material processed and where the material is sent after collection and processing. NES will provide all required disposal documentation to the City or any other agency.

Water

Water shall be made available by the City at no cost to NES. NES will bring the metering devices to the City's Public Works Yard to be read. NES will comply with all rules and regulations of the City relating to the use of water.

Contractor's Office

NES' office is located at 11914 Front Street, Norwalk, CA and is open Monday through Friday from 7:00 am to 5:00 pm with a bilingual staff available for communication with the public. NES has a toll-free number and a 24/7 dispatch service available to assist the City with any type of request. NES' dispatch department is capable of contacting all management personnel at any given time; thereby, guaranteeing immediate response to service requests. In addition, all employees will be equipped with cellular telephones in order for the City and NES' dispatch department to communicate directly with the sweeper operators.

Emergency Services

NES will provide the City with the names and telephone numbers of at least two (2) management personnel who can be contacted for emergency requests. NES will respond to requests for emergency sweeps 24 hours per day, 7 days per week, and within two (2) hours of notifications by the City.

Holidays & Inclement Weather

NES will provide street sweeping services Monday through Friday except on the holidays listed in the RFP. Holiday sweeping schedules will be coordinated with the City's Public Works Department and missed sweeping days due to a holiday will be swept within the next five (5) day working period.

NES will not cancel sweeping services due to inclement weather without the approval of the Public Works Director. Also, a two-hour standby period will be observed before a scheduled residential sweep will be canceled.

Parking Enforcement

NES will coordinate its sweeping activity with the City's Parking Enforcement.

Reports

Along with the monthly service invoice, NES will submit all required reports as listed in the RFP.

Safety

Safety comes first at NES; therefore, all work performed under this contract will be performed with the maximum safety to the public and where applicable. NES complies with all safety standards required by CAL OSHA and has an excellent safety record. NES will provide all safeguards and protective devices to protect the health and safety of its employees, the safety of the City officials and the public.

Rules & Regulations

NES complies with all federal, state and local rules and regulations, including but not limited to Cal OSHA, CARB, NPDES and SCAQMD Rule 1186 and 1186.1.

Insurance

NES will meet all the insurance requirements of the City of Maywood.

Nationwide Environmental Services (NES) general work plan to meet street sweeping requirements for the City of Maywood includes a well-managed administration and operational structure supported by interdepartmental teamwork. NES has reviewed the RFP thoroughly and has completed a physical inspection of all the streets within the City of Maywood.

NES' operations manager will meet with City representatives to examine and evaluate the sweeping schedule according to contract specifications and schedules. During the term of the contract, NES' management team will meet with City staff on a weekly basis to discuss any concerns and review sweeping performance.

NES' street sweeping services will include but not limited to, picking up silt, mud, sand, dirt, paper, leaves, grass, and miscellaneous trash/debris. Employees at NES are experienced, trained and expected to make a "Clean Sweep" (i.e., as many passes required to eliminate debris from all areas) of all streets. Employees fully understand their responsibilities and debris not picked up by the street sweeper will be hand swept.

Any complaint brought to NES' attention will be acknowledged within 12 hours of receipt and investigated and resolved within 24 hours. A complaint form (see sample attached) will be completed by NES. NES will maintain a log of all complaints received and the corrective actions implemented. NES will promptly provide the City a report as to the action/procedure taken to resolve each complaint and will also provide monthly reports.

All street sweepers utilized in the City of Maywood will be equipped with GPS (Teletrac) monitoring system that will enable the City of Maywood and NES to view via internet where the sweepers are at all times.

Route inspections will be completed regularly (see sample form attached). Supervisors as well as the project manager will be available to meet with the City staff to discuss any issues. The supervisor will be responsible for the following:

- Make sure the routes are started and completed on time
- Identify any problem areas
- Correct all deficiencies
- Complete daily inspection reports
- Discuss deficiencies with the employees to prevent recurrence
- Provide employees with feedback
- Constantly remind employees about NES' "Clean Sweep" policy, which is making as many passes as necessary to maintain streets free of debris

NES' management team will make certain all scheduled routes are completed each day in accordance with the street sweeping schedule approved by the City. One of the most important aspects of street sweeping is assuring the residents they will receive high quality services. There are many factors involved in doing so: first, we make certain the same sweeper operator cleans the streets on a regular basis; second, we make certain all drivers are consistent in their sweeping pattern to allow the residents to move their parked cars from the streets in a timely manner; third, employees make as many passes as necessary to ensure clean streets free of debris.

CONTRACT ORGANIZATION & STAFFING

NES prides itself on its excellent customer service. All employees at NES are courteous, responsive, timely, equitable and professional. Employees are trained whether in person or on the phone to be pleasant, respectful and professional. Employees give full attention to each customer's needs by asking questions and by providing accurate information. Our customer service representatives offer immediate action to requests and complaints.

NES maintains a drug-free workplace and employs a staff of over 80 sweeper operators including back-up personnel. This method of employing back-up sweeper operators allows NES to manage personnel changes without sacrificing the quality of service to any one of our customers. All personnel wear company uniforms which include identification patches identifying the company and employee.

At NES, employees are trained, licensed, insured and competent to assure quick response along with professional services. Nonetheless, employees are knowledgeable about correct sweeping practices; therefore, they sweep each route according to the contract specifications and provide high quality services, *a basic standard of NES*. NES makes every effort to provide its employees with the tools and resources necessary to provide outstanding customer service.

NES believes that communication is a key factor in providing quality services, therefore, we have a 24/7 dispatch service available to assist the City with additional, special or emergency requests. In addition, NES will provide the City with NES' 24-hour dispatch telephone number and cellular telephone number of the project manager. Safety comes first at NES; therefore, all managers, supervisors and employees receive ongoing safety training during their employment. The following is a guideline of our training program:

90 Day Training

- Review Driving Record and verify with DMV printout (Enroll in DMV Pull-Notice Program)
- Reference Check
- Pre-Employment Drug/Alcohol Screening
- Initial Safety Training
- Behind-the-Wheel Training
- Proper Operation of a Street Sweeper
- Defensive Driving Training
- Vehicle Safety Procedures & Precaution

Ongoing Training

- Bi-Weekly Safety Meetings (One-on-One with Each Employee)
- Quarterly Safety Meetings
- Random Safety Meetings administered by our Insurance Company
- Random Drug/Alcohol Testing
- Semi-annual refresher training administered by NES.

NES has been known for its remarkable quality of service and stands above all others in the industry by providing excellent customer service. All employees at NES have been screened and selected per NES' Driver Selection and Screening Policy.

All sweeper operators have over 5+ years experience, have completed training by TYMCO on the proper operating procedures of a street sweeper and have the appropriate class driver's license.

Management personnel have over 15 years experience and are highly trained in maintaining the highest level of customer service by focusing on guaranteed satisfaction. All employees and management personnel are skilled, experienced and competent and all are capable of communicating in both written and oral English. If necessary, NES has a staff of management personnel, back-up sweeper operators and back-up street sweepers which can be utilized.

NES also has fulltime in-house mechanics available 24/7 to handle any type of mechanical problem, should the need arise. Mechanics are ASE/TYMCO trained and skilled to repair and maintain alternative fuel street sweepers as well as all other types of vehicles.

Ani Samuelian/President (Contract Manager)

Ani Samuelian has been employed with NES since 1994 and her responsibilities include: Oversee daily operations, contract management, accounts payable/receivable/payroll. Assist in establishing effective company goals and evaluate all insurance and bonding policies and procedures. Responsible for developing and implementing marketing strategies. Provide adequate communication with staff to identify problems and coordinate corrective action plans. Coordinate with department heads to facilitate efficient management functions. Participate in weekly meetings to discuss daily operations performance, regulatory issues, client concerns and company policies and procedures. Responsible for ensuring compliance of all State and Federal laws and regulations. Oversee Human Resources, Safety and Public/Government Relations. Ani is bilingual (English/Armenian) and has graduated from Southern California College of Business & Law. Ani is also a proud member of the L.A. Chapter Maintenance Superintendents Association (MSA) and the north american Power Sweeping association (naPSa). In March 2016, Ani was honored as the "Woman of the Year" in the area of business from the 32nd Senate District. Ani Samuelian will dedicate as many hours as necessary to the City of Maywood

Nejteh Der Bedrossian/Operations Manager (Project Manager)

Nejteh Der Bedrossian has been employed with NES since 1991 and his responsibilities include: Oversee and supervise the daily operations of the plant. Responsible for designing new routes and organizing daily service routes and schedules for an effective operation. Managing and overseeing employees. Managing disposal operations; administer and oversee disposal program, including recycling and composting; establish programs with municipalities to meet AB 939 mandates. Monitoring and inspecting field operations; project point liaison for emergency callouts or request for services; monitors and reviews GPS tracking system reports. Perform cost comparison analysis to determine the most efficient and cost effective way to provide services to our clients. Responsible for inventory control of the plant and purchases for maintaining an effective operation. Participate in weekly meetings to discuss daily operations performance, regulatory issues, client concerns and company policies and procedures. Responsible for ensuring compliance of all State and Federal laws and regulations. Nejteh is a Certified Stormwater Inspector. Nejteh is also multilingual and a proud member of the L. A. Chapter - Maintenance Superintendents Association (MSA) and the north american Power Sweeping association (naPSa). Nejteh Der Bedrossian will dedicate as many hours as necessary to the City of Maywood.

George Ramirez/Assistant Operations Manager

George Ramirez has been employed with NES since 2007 and his responsibilities include: assisting in the daily operations, organizing daily routes, scheduling, dispatch, field supervision, quality control, GPS monitoring and overseeing and supervising the daily maintenance and cleanliness of all vehicles. George is bilingual (English/Spanish) and has over 15 years experience. George Ramirez will dedicate as many hours as necessary to the City of Maywood.

Gary Der Bedrossian/Field Supervisor

Gary Der Bedrossian has been employed with NES since 1985 and his current responsibilities include: field supervision, quality control, monitoring and inspecting field operations, designing new routes and organizing daily service routes and schedules for an effective operation. Gary started employment with NES as a sweeper operator; therefore, Gary is well aware and knowledgeable of the pattern of sweeping, quality, route design and issues relating to sweeping performance and all other aspects of sweeping. Gary is multi-lingual (English, Armenian, Arabic, and Turkish). Gary Der Bedrossian will dedicate 2.0 hours each day, Monday through Friday to complete route inspections and quality control.

Marlene Melchor/Office Manager

Marlene Melchor has been employed with NES since 2000 and her current responsibilities include: office management, accounts payable, accounts receivable, payroll, scheduling, report administration and overseeing customer service department. Marlene Melchor will dedicate as many hours as necessary to the City of Maywood.

Eduardo Herrera/Sweeper Operator

Eduardo Herrera will be the primary sweeper operator and has over 5+ years' experience. Eduardo has completed all required training by NES. In addition, Eduardo has been trained by TYMCO on the proper operating procedures of a street sweeper. Eduardo is estimated to work 10.0 hours per day, Monday through Friday and will dedicate as many hours as needed to provide exceptional street sweeping services to the City of Maywood.

Alex Sanchez/Back-up Sweeper Operator

Alex Sanchez will be the back-up sweeper operator and has over 5+ years' experience. Alex has completed all required training by NES. In addition, Alex has been trained by TYMCO on the proper operating procedures of a street sweeper. Alex is estimated to work 4.0 hours per day, Monday through Friday as a back-up sweeper operator.

NOTE: NES will dedicate as many hours as necessary to provide high-quality street sweeping services to the City of Maywood.

CONTRACT SCHEDULE, COST DATA, STATEMENT OF COMPLIANCE/SUGGESTED CHANGES

g. Contract Schedule

NES will adhere to the map/schedule as provided in the RFP, Attachment A and Attachment B. All tasks will be completed per the RFP and attachments.

h. Cost Data

Please see Attachment A.

J. Statement of Compliance/Suggested Changes

NES' proposal is in strict compliance with the Request for Proposal and Draft Agreement and no exceptions to either are proposed.

NES has a fleet of over 70 sweeping and cleaning vehicles including back-up street sweepers. Street sweepers utilized in the City of Maywood will be equipped with safety features, painted in uniform color and will have logos and/or place cards for proper City of Maywood Contractor identification. In addition, all street sweepers will be equipped with GPS (Teletrac) tracking systems which monitors speed, hours of operation and brush operation for reporting purposes. All equipment will be kept in safe working order and will be licensed and maintained in a safe and proper operating condition. All sweepers meet all applicable certifications for PM 10, Rule 1186 and Rule 1186.1 and other pollutants as set forth by the SCAQMD. The following street sweepers will be utilized in the City of Maywood.

Unit #	Year	Make	Model	Type & Condition	AQMD CERTIFIED	Fuel Type	Primary/ Back-up
275	2021	Freightliner	TYMCO 600	Regenerative Air - New	YES	CNG	Primary
276	2021	Freightliner	TYMCO 600	Regenerative Air - New	YES	CNG	Back-up

2021 Street Sweepers are near ZERO EMISSIONS

The most environmentally friendly sweepers for your residents

Maintenance

All street sweepers are inspected at a minimum of twice per day. Drivers are required to perform pre-trip and post-trip inspections daily. NES also has a successful preventive maintenance program and is proud to state that NES has always received excellent reviews/inspections from the CHP.

ADDENDUM #1

CITYWIDE STREET SWEEPING SERVICES REQUEST FOR PROPOSALS

NOTICE TO ALL PLAN HOLDERS/CONTRACTORS

This addendum and its attachments shall become a part of the specifications and shall apply to the Proposals for the above named Request for Proposal.

The Bidder(s) shall notify all affected subcontractors, material suppliers, and others to incorporate necessary cost updates, to the bid proposal and the work changes by this Addendum.

In the event of conflict between specifications and this addendum, the addendum shall take precedence.

The following additions and amendments attached herein shall be made to part of the Contract Specifications for the Citywide Street Sweeping Services Request for Proposals, and shall be included in the proposal to be submitted.

QUESTIONS RECEIVED BY CITY AND ANSWERS

1. Please confirm the contract term is for 7 years plus 3 one year options totaling 10 years. In the Introduction section (page 1) it indicates the term will be a maximum of 9 years, however, the rest of the document states 7 years plus 3 one year options.

ANSWER: Contract is for a term of 7 years, plus 3 one year options, for a possible total term of 10 years.

2. The Introduction section (page 1) indicates to bid on two options, however, the RFP only references one option. Please clarify.

ANSWER: There is only one option to bid on. Please disregard this typo.

3. General Conditions – Indicates the payment of prevailing wages. However, prevailing wages are not required for street sweeping services. Please clarify.

ANSWER: Prevailing wage will NOT be applicable to this proposal/bid.

4. General Conditions – Indicates that a performance bond will be required. However, performance bonds are not required for street sweeping services. Bonds are typically required for construction projects. Please clarify.

ANSWER: A Performance Bond will NOT be required for this proposal/bid.

5. Please clarify if there will be an annual CPI adjustment or if the CPI will only be granted on the 3 one year options.

ANSWER: The Consumer Price Index (CPI) – All Urban Customers (Los Angeles) shall only be granted for the 3 one year options.

6. Please clarify that the final agreement will include the CPI language.

ANSWER: Yes, the final agreement will include the CPI language.

7. Price Sheet – Can the City modify the price sheet to remove the curb mile column and only include a column for the monthly/annual fee? Also, can the City please include a separate line item for cost per curb miles for added streets and a separate line item for hourly rates? Most street sweeping services are invoiced at a base monthly amount and hourly rates for special/emergency service requests?

ANSWER: City has considered these requests and modified ATTACHMENT A: PRICE SHEET AND MAINTENANCE FREQUENCIES in a manner as to provide clearer pricing and best value for city residents.

**ATTACHMENT A
PRICE SHEET AND MAINTENANCE FREQUENCIES**
